

ADJUSTABLE TRIGGER WITH TRIGGER BAR FOR GLOCK® - LONE WOLF DIST. LWD ULTIMATE ADJUSTABLE TRIGGER W/ TRIGGER BAR 9/40 BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Trigger shoe is machined from a billet of 6061 aluminum on state of the art CNC machinery. No need to remove the trigger from the gun to adjust the trigger. Pre travel and over travel can be adjusted with the trigger in the gun. An oversized safety spring and a safety lever that is flush to the shoe make it more comfortable to the shooter's finger. The 9/40 versions are intended for the Glock® Gen 3&4, gunsmithing may be required on Gen 1&2.

Safety Instruction Guide for Adjustable Trigger with Trigger Bar for Glock

Introduction

Thank you for purchasing the Adjustable Trigger with Trigger Bar for Glock® by Lone Wolf Dist. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that your shooting area is safe.
- Store your firearm and accessories in a secure location, inaccessible to children and unauthorized users.
- Regularly inspect your firearm and accessories for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the trigger is properly installed before using the firearm.
- Do not attempt to adjust the trigger while the firearm is loaded or in a firing position.
- Make sure the safety lever is functioning correctly before using the firearm.
- Avoid using the trigger if you notice any irregularities in its operation.
- Use only compatible Glock® models (Gen 3 & 4). Gunsmithing may be required for Gen 1 & 2 models.
- If you are inexperienced with firearm modifications, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the magazine is removed.
- Remove the existing trigger assembly from the firearm according to the manufacturer's instructions.
- Install the Adjustable Trigger with Trigger Bar by following these steps:
 - Align the trigger bar with the trigger housing.
 - Secure the trigger assembly back into the firearm.
 - Ensure all components are fitted correctly and securely.
- Perform a function check to ensure the trigger operates correctly.

2. Usage:

- Adjust the pretravel and overtravel settings while the trigger is installed in the firearm.
- Make adjustments gradually and test the trigger after each adjustment.
- Always ensure the firearm is pointed in a safe direction when testing the trigger.

3. PostInstallation:

- After installation and adjustments, conduct a thorough safety check of the firearm.
- Ensure that the safety lever operates smoothly and the trigger functions as intended.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, dispose of it responsibly. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Adjustable Trigger with Trigger Bar for Glock®, please refer to the manufacturer's contact information provided with your product packaging.

By following the guidelines outlined in this document, you can ensure a safe and enjoyable experience with your Adjustable Trigger for Glock®. Always prioritize safety and seek professional assistance when necessary.
