

# ADJUSTABLE TRIGGER WITH TRIGGER BAR FOR GLOCK® - LONE WOLF DIST. LWD ULTIMATE ADJUSTABLE TRIGGER W/ TRIGGER BAR 9/40 RED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Trigger shoe is machined from a billet of 6061 aluminum on state of the art CNC machinery. No need to remove the trigger from the gun to adjust the trigger. Pre travel and over travel can be adjusted with the trigger in the gun. An oversized safety spring and a safety lever that is flush to the shoe make it more comfortable to the shooters finger. The 9/40 versions are intended for the Glock® Gen 3&4, gunsmithing may be required on Gen 1&2.

# Safety Instruction Guide for the Adjustable Trigger with Trigger Bar for Glock®

## Introduction

Thank you for choosing the Adjustable Trigger with Trigger Bar for Glock® from LONE WOLF DIST. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU safety standards. Please read this guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure your firearm is unloaded before installing or adjusting the trigger.
- Keep the trigger area clear of any obstructions during installation and use.
- Use the product only in accordance with the manufacturer's instructions.
- Ensure that the product is compatible with your specific Glock® model (Gen 3 & 4).
- Store the product in a safe and secure location away from children and unauthorized users.
- Regularly check for wear or damage to the trigger and trigger bar before use.

## Specific Safety Precautions for Use

- The trigger is intended for use with Glock® models 17, 19, 22, 23, 24, 34, 35, 26, 27, 31, 32, and 33. Gunsmithing may be required for Gen 1 & 2 models.
- Adjustments to pretravel and overtravel should only be made when the firearm is in a safe condition (unloaded).
- Be cautious when handling the trigger spring and safety lever to avoid injury.
- Always perform adjustments in a controlled environment to prevent accidents.
- If you are unsure about any part of the installation or adjustment process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather required tools: appropriate screwdrivers and any tools specified in the product manual.

### 2. Installation:

- Remove the existing trigger from your Glock® according to the manufacturer's guidelines.
- Install the Adjustable Trigger with Trigger Bar by following these steps:
  - Align the trigger bar with the trigger housing.
  - Securely attach the trigger shoe to the trigger mechanism.
  - Ensure that the oversized safety spring is properly positioned and the safety lever is flush with the shoe.

### 3. Adjustment:

- With the trigger installed, make adjustments to pretravel and overtravel as needed:
  - Use the adjustment screws provided to finetune the trigger response.
  - Test the trigger after each adjustment to ensure proper function.

### 4. Usage:

- Once installed and adjusted, test the trigger in a safe environment.
- Practice safe handling and shooting techniques at all times.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities or waste management facilities for proper disposal methods for metal and plastic components.

## **Contact Information for Further Support**

For any inquiries related to safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can enjoy the benefits of the Adjustable Trigger with Trigger Bar for Glock® while minimizing risks. Always prioritize safety and consult professionals when in doubt. Thank you for your commitment to responsible firearm use.
