

ADJUSTABLE TRIGGER WITH TRIGGER BAR FOR 10/45 - LONE WOLF DIST. LWD ULTIMATE ADJUSTABLE TRIGGER W/ TRIGGER BAR 10/45 RED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Trigger shoe is machined from a billet of 6061 aluminum on state of the art CNC machinery. No need to remove the trigger from the gun to adjust the trigger. Pre travel and over travel can be adjusted with the trigger in the gun. An oversized safety spring and a safety lever that is flush to the shoe make it more comfortable to the shooters finger.

Safety Instruction Guide for Adjustable Trigger with Trigger Bar for 10/45 Lone Wolf Dist.

Introduction

Thank you for choosing the Adjustable Trigger with Trigger Bar for your 10/45 Lone Wolf Dist. firearm. This guide is designed to provide you with essential safety information and instructions to ensure safe and effective use of the product. Please read this guide thoroughly before installation or use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the firearm and accessories in a secure location, away from children and unauthorized users.
- Regularly check for product recalls and safety notices on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the trigger is compatible with your Glock model (21, 30, 20, 41, 40) before installation.
- Do not attempt to adjust the trigger while the firearm is loaded.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or unusual behavior with the trigger, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. **Safety First:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger from your Glock.
3. **Install the Adjustable Trigger:**
 - Align the trigger bar with the trigger shoe.
 - Insert the trigger bar into the trigger housing.
 - Ensure that all components are seated properly.
4. **Adjust the Trigger:**
 - Adjust pretravel and overtravel settings while the trigger is in the firearm.
 - Use the appropriate tools as specified in the product manual.
5. **Reassemble the Firearm:** Once adjustments are made, reassemble the firearm according to the manufacturer's guidelines.

Usage Instructions

- After installation, perform a function check to ensure proper operation.
- Adjust the trigger settings as needed, ensuring that adjustments do not compromise safety.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Do not dispose of the product in regular household waste.

- Follow local regulations for the disposal of firearm accessories.
- If in doubt, contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Adjustable Trigger with Trigger Bar, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you can ensure a safer experience while using your Adjustable Trigger with Trigger Bar. Always prioritize safety and remain informed about best practices in firearm handling and maintenance.
