Safety Instruction Guide for Kimber Micro .380 Magazines

Introduction

Thank you for choosing the Kimber Micro .380 magazine. This guide provides important safety instructions and guidelines to ensure the safe use of your magazine. Please read this guide carefully before using the product to prevent accidents and injuries.

General Safety Guidelines

- Always handle magazines and firearms with care.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage.
- Follow all local laws and regulations regarding firearms and ammunition.
- Ensure that you are familiar with the operation of your firearm before using the magazine.
- In case of an emergency or malfunction, follow the manufacturer's guidelines for addressing issues.

Specific Safety Precautions for Use

- Do not exceed the magazine's capacity; this magazine is designed for 7 rounds only.
- Always ensure the firearm is unloaded before inserting or removing the magazine.
- Avoid using the magazine if it shows signs of damage or if it does not function properly.
- Keep fingers away from the trigger until you are ready to shoot.
- Use only the recommended ammunition type (0.380 Auto) to avoid malfunctions.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Hold the magazine with the feed lips facing the firearm.
- Insert the magazine into the magazine well until it clicks into place.
- Ensure the magazine is securely seated before attempting to load ammunition.

2. Loading the Magazine:

- Place the 0.380 Auto cartridges into the magazine, ensuring they are seated properly.
- Do not attempt to overload the magazine; it is designed for a maximum of 7 rounds.

3. Using the Magazine:

- Once loaded, insert the magazine into your firearm as instructed above.
- Ensure the firearm is ready for use only when you are in a safe shooting position.
- When finished, remove the magazine by pressing the magazine release button and pulling the magazine out of the well.

4. Maintenance:

- Clean the magazine regularly to ensure proper functioning.
- Store the magazine in a dry place, away from moisture to prevent rust.

Disposal Instructions

- Dispose of damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular trash; check for local hazardous waste disposal options if necessary.

Contact Information for Further Support

For any inquiries regarding the Kimber Micro .380 magazine, please contact the manufacturer or your local dealer. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is of utmost importance. Always practice safe handling and storage of firearms and magazines.
