# Safety Instruction Guide for TRIGGER SPRING FOR GLOCK® GEN 3

## Introduction

Thank you for choosing the Trigger Spring for Glock® Gen 3 by Shadow Gunworks. This product is designed to enhance the performance of your Glock firearm. To ensure safe usage and compliance with EU regulations, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the Trigger Spring is compatible with your specific model of Glock Gen 3.
- Always handle firearms with caution and follow all local laws and regulations regarding firearm safety.
- Store the Trigger Spring in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Trigger Spring for any signs of wear or damage before installation and use.

## Specific Safety Precautions for Use

- Only use the Trigger Spring with Glock Gen 3 models, excluding models 42 and 43.
- Do not modify or alter the Trigger Spring in any way.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- If you experience any issues with the Trigger Spring, do not use the firearm until the issue is resolved by a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a punch tool and a hammer.

### 2. Installation Steps:

- Remove the slide from the Glock firearm according to the manufacturer's instructions.
- Locate the existing trigger spring and carefully remove it using the punch tool.
- Take the new Trigger Spring and align it with the trigger mechanism.
- Gently tap the new spring into place using the hammer and punch tool, ensuring it is securely seated.

### 3. PostInstallation Check:

- Reassemble the firearm and conduct a function check to ensure proper operation.
- If the trigger does not function correctly, disassemble and check the installation again.

### 4. Usage:

- Always follow safe handling practices when using your firearm.
- Regularly check the Trigger Spring for any signs of wear or malfunction.

## Disposal Instructions

- Dispose of the Trigger Spring in accordance with your local regulations for metal recycling.
- Do not dispose of the Trigger Spring in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the Trigger Spring for Glock® Gen 3, please contact the manufacturer or your local firearms dealer.

By following these guidelines, you can ensure the safe and effective use of your Trigger Spring for Glock® Gen 3. Thank you for your attention to safety.
