# LOCKING BLOCK FOR GLOCK® GEN 3 & GEN 4 SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the Shadow Gunworks Locking Block for Glock® Gen 3 & Gen 4. This guide provides essential safety information and instructions to ensure safe usage of the product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and related accessories with care and responsibility.
- Ensure that the firearm is unloaded before installing or working on the locking block.
- Use only with factory Glock frames or Shadow Systems frames to ensure proper fit and function.
- Regularly inspect the locking block and firearm for any signs of wear or damage.
- Store the product and all firearms in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or incidents related to this product to the appropriate authorities.
- Stay informed about product recalls or safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the locking block with compatible models: Glock Gen 3 & Gen 4 models 19, 23, 32, and 38.
- Ensure that the locking block is properly installed before using the firearm.
- Do not modify the locking block or firearm in any way that could compromise safety.
- Always wear appropriate safety gear when handling firearms, including eye protection.
- Be aware of your surroundings and ensure a safe environment when using firearms.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Verify that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Parts:** Disassemble the firearm according to the manufacturer's instructions, removing the original locking block if applicable.
3. **Install the Locking Block:**
  - Align the Shadow Gunworks Locking Block with the factory Glock frame or Shadow Systems frame.
  - Insert the locking block securely, ensuring it fits snugly and is properly seated.
4. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the firearm.
5. **Test Functionality:** Before using the firearm, conduct a function check to ensure that the locking block operates correctly.

### Usage Instructions

- Always follow safe firearm handling practices when using the firearm.
- Regularly check the locking block for any signs of wear or damage during use.
- If any issues arise, cease use immediately and consult a qualified gunsmith or contact support.

## Disposal Instructions

- Dispose of the locking block in accordance with local regulations.
- Do not dispose of the locking block in regular household waste. Contact local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Shadow Gunworks Locking Block, please refer to the product packaging or visit the manufacturer's website for support resources.

Thank you for your attention to these safety guidelines. Your safety and the safe use of your firearm are our top priorities.
