Safety Instruction Guide for LOCKING BLOCK PIN FOR GLOCK® GEN 3

Introduction

Thank you for choosing the Shadow Gunworks Locking Block Pin for your Gen 3 Glock. This product is designed to enhance the performance and reliability of your firearm. Please read this safety instruction guide carefully to ensure safe and proper use of the Locking Block Pin.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store your firearm and accessories securely, out of reach of children and unauthorized users.
- Familiarize yourself with your Glock's manual and safety features.
- Use only compatible parts and accessories with your firearm.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installation or maintenance.
- Do not modify the Locking Block Pin or any other firearm component.
- Use protective eyewear when handling or working on your firearm.
- Keep hands and fingers clear of moving parts during installation.
- If you are unsure about installation or usage, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a punch tool and a hammer.
- Ensure you are in a safe and secure environment.

2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the slide and frame from the Glock.
- Locate the existing locking block pin and use the punch tool to gently tap it out.
- Align the new Locking Block Pin with the hole in the locking block.
- Use the punch tool to carefully insert the new pin until it is securely in place.
- Reassemble the firearm and perform a function check to ensure proper operation.

3. Usage:

- The Locking Block Pin is designed to fit all Glock Gen 3 models except 36, 42, and 43.
- Regularly check the pin for any signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of any old or damaged parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Locking Block Pin, please refer to the manufacturer's website or customer service for support.

By following these safety instructions, you can ensure the safe and effective use of the Shadow Gunworks Locking Block Pin for your Gen 3 Glock. Thank you for your attention to safety!
