## AR-15 RAPTOR-LT AMBIDEXTROUS CHARGING HANDLE BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

### Durability Meets Functionality

The Radian Weapons Raptor-LT Charging Handle is designed to offer AR-15 owners a chance to upgrade their stock charging handle with one that provides more functionality. The Radian Weapons Raptor-LT Charging Handle is machined from solid 7075 aluminum and then is finished with a hard-coat anodized finish that resists corrosion. The handle is then overmolded with fiberglass-reinforced polymer for the utmost in durability. Fully ambidextrous Comes in black, flat dark earth and gray finishes Compatible with most AR-15/M16 rifles The Radian Weapons Raptor-LT Charging Handle is completely designed and built in the USA.

# Safety Instruction Guide for AR15 RAPTORLT Charging Handle

## Introduction

Thank you for choosing the Radian Weapons RaptorLT Charging Handle. This product is designed to enhance the functionality of your AR15 rifle while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 rifle before using the RaptorLT Charging Handle.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when manipulating the charging handle.
- Use only the RaptorLT Charging Handle with compatible AR15/M16 rifles to avoid potential malfunctions.
- Do not attempt to modify or alter the charging handle as it may compromise safety and functionality.
- Avoid using the charging handle in extreme conditions that may affect its performance (e.g., extreme heat or cold).
- If you notice any unusual resistance or difficulty when operating the charging handle, cease use immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from the upper receiver of the AR15 by pulling it back and lifting it out.
- Align the RaptorLT Charging Handle with the receiver and gently insert it into the designated slot.
- Pull the charging handle back to ensure it is seated properly and functions smoothly.
- Reassemble any components that were removed during the installation process.

### 2. Usage:

- To charge the firearm, grasp the RaptorLT Charging Handle with one or both hands.
- Pull the handle back to the rear of the receiver to chamber a round.
- Release the handle to allow it to return to its forward position.
- Always ensure a firm grip and controlled movement when operating the charging handle.

## Disposal Instructions

- Dispose of the RaptorLT Charging Handle in accordance with local regulations.
- If the charging handle is damaged or no longer functional, do not attempt to repair it. Instead, follow local disposal guidelines for metal and polymer materials.
- Ensure that the item is not accessible to children or unauthorized individuals during disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the RaptorLT Charging Handle, please refer to the manufacturer's website or customer support resources. It is important to have access to accurate information for safe usage.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your Radian Weapons RaptorLT Charging Handle. Always prioritize safety and responsible firearm handling practices. Thank you for your commitment to safety!
