# Safety Instruction Guide for the AR15 RAPTORLT Charging Handle

## Introduction

Thank you for choosing the Radian Weapons RaptorLT Charging Handle. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the charging handle is compatible with your specific AR15 or M16 model before installation.
- Always follow safe firearm handling practices when working with your firearm.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Inspect the charging handle regularly for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the charging handle for its intended purpose as a part of your firearm.
- Avoid using excessive force when operating the charging handle to prevent damage.
- Ensure that the firearm is unloaded before installing or handling the charging handle.
- Do not modify the charging handle in any way, as this may compromise safety.
- Always wear appropriate eye and ear protection when operating your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing charging handle from the upper receiver of your AR15 or M16.
- Align the RaptorLT Charging Handle with the receiver and slide it into place.
- Ensure that the handle is securely seated and operates smoothly.

### 2. Usage:

- To operate the charging handle, grip it firmly with your dominant hand.
- Pull the handle back to charge the firearm, ensuring that your fingers are clear of the ejection port.
- Release the handle to allow it to return to its forward position.
- Always keep your finger off the trigger until you are ready to fire.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.
