Safety Instruction Guide for the AR15 RAPTORLT Charging Handle

Introduction

Thank you for choosing the Radian Weapons AR15 RAPTORLT Charging Handle. This guide provides essential safety instructions to ensure the safe and effective use of your charging handle. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (AR15/M16).
- Always handle firearms with care and follow all local laws and regulations regarding firearm use and modifications.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Do not use the charging handle if it is damaged or if any parts are missing.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the charging handle.
- Use the charging handle with both hands for better control and to avoid accidents.
- Avoid using excessive force when operating the charging handle to prevent damage.
- Do not modify the charging handle in any way, as this may compromise its safety and functionality.
- Be aware of your surroundings and ensure that no one is in the line of fire when using your firearm.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from the firearm by following the manufacturer's instructions.
- Align the Radian Weapons AR15 RAPTORLT Charging Handle with the receiver.
- Carefully insert the charging handle into the receiver until it is fully seated.
- Ensure that the charging handle moves smoothly and is securely in place before use.

2. Usage

- To operate the charging handle, grasp it firmly with your dominant hand.
- Pull the charging handle back to chamber a round or clear the firearm.
- Release the charging handle to allow it to return to its forward position.
- Practice using the charging handle in a safe environment to become familiar with its operation.

Disposal Instructions

- Dispose of the charging handle and any associated packaging materials in accordance with local regulations.
- If the product is damaged and no longer usable, consider recycling materials where possible.
