Safety Instruction Guide for AR 308 RaptorLT Charging Handle

Introduction

Thank you for choosing the Radian Weapons AR 308 RaptorLT Charging Handle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. By following these instructions, you can help prevent accidents and ensure a safe shooting experience.

General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Store the charging handle and your firearm securely to prevent unauthorized access.
- Ensure you are familiar with the operation of your AR10 rifle before using the charging handle.
- Always wear appropriate personal protective equipment, such as eye and ear protection, when handling firearms.
- Keep the charging handle and firearm away from children and vulnerable individuals.
- Regularly inspect the charging handle for any signs of damage or wear before use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the charging handle.
- Do not attempt to modify the charging handle in any way, as this may compromise its safety and functionality.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.
- If you experience any issues with the charging handle during use, cease operation immediately and inspect for damage.
- Do not use the charging handle with DPMS Gen II, Colt 901, or SIG 716 rifles, as it is not compatible with these models.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from the rifle by pulling the charging handle latch and sliding it out.
- Align the Radian Weapons AR 308 RaptorLT Charging Handle with the receiver and slide it into place.
- Ensure that the charging handle is securely seated and that the latch functions properly.

2. Usage:

- To charge the rifle, grasp the charging handle with your dominant hand and pull it back to the rear of the receiver.
- Release the charging handle to allow it to return to its forward position.
- Ensure that the bolt is fully engaged before firing.
- If you are lefthanded, the ambidextrous design allows you to operate the charging handle comfortably from either side.

Disposal Instructions

- Dispose of the charging handle responsibly. If it is damaged or no longer usable, do not throw it in regular waste.
- Check local regulations for proper disposal methods of firearm accessories.
- Consider recycling if possible, but ensure that the product is rendered unusable prior to disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Radian Weapons AR 308 RaptorLT Charging Handle, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details ready when seeking assistance.

Conclusion

By following this safety instruction guide, you help ensure a safe and enjoyable experience with your Radian Weapons AR 308 RaptorLT Charging Handle. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
