

# AR-15 ULTRALIGHT QD ENDPLATE - RADIAN WEAPONS AR-15 ULTRALIGHT QD ENDPLATE BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## An Ideal Component for Your Lightweight AR

The AR-15 platform has many small components that add up in weight. Keep your AR weighing less with the addition of the Radian Weapons AR-15 Ultralight QD Endplate. The Radian Weapons AR-15 Ultralight QD Endplate is machined from 7075-T6 aluminum and features a hard-coat anodized finish. Titanium is also used in the construction of the endplate. Features black finish Weight: 6.5 grams Features quick-detach sling-swivel cup The Radian Weapons AR-15 Ultralight QD Endplate can be used with both mil-spec and commercial AR buffers and requires a castle-nut for installation.

# Safety Instruction Guide for AR15 Ultralight QD Endplate

## Introduction

Thank you for choosing the Radian Weapons AR15 Ultralight QD Endplate. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure you are familiar with the AR15 platform and its components before installation.
- Always wear appropriate safety gear, including eye protection, during installation and use.
- Keep the product away from children and unauthorized users.
- Inspect the endplate regularly for signs of wear or damage.
- Do not exceed the weight limit or intended use specified by the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Weight Limit:** The endplate is designed to be lightweight (6.5 grams). Ensure it is compatible with your setup to avoid performance issues.
- **Installation:** Use a castle nut for secure installation. Improper installation may lead to product failure.
- **Material Safety:** The endplate is made from 7075T6 aluminum and titanium. Avoid exposure to harsh chemicals that may affect the finish.
- **Sling Attachment:** Ensure that the quickdetach slingswivel cup is properly engaged before use to prevent accidental detachment.

## Instructions for Installation and Usage

### 1. Gather Required Tools:

- Castle nut wrench
- Torque wrench (if necessary)
- Safety glasses

### 2. Installation Steps:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing endplate if applicable.
- Align the Radian Weapons AR15 Ultralight QD Endplate with the buffer tube.
- Secure the endplate using a castle nut. Ensure it is tightened according to the manufacturer's specifications.
- Attach the quickdetach slingswivel cup as needed.

### 3. Usage Instructions:

- After installation, check the stability of the endplate.
- Attach your sling to the quickdetach cup securely.
- Regularly inspect the attachment points for any signs of wear or looseness.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or nonfunctional.
- Contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the Radian Weapons AR15 Ultralight QD Endplate, please refer to the manufacturer's website or customer service resources available in your region.

By following these safety instructions, you can ensure the safe and effective use of your Radian Weapons AR15 Ultralight QD Endplate. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
