[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

## Optimum Recoil Reduction & Flash Suppression

The EFAB Muzzle Brake from Precision Armament combines superior muzzle control with effective flash suppression, even on barrels as short as 10 inches. Patent Pending EFAB™ technology uses an array of diverging expansion nozzles to diffuse and cool combustion gases resulting in maximum recoil reduction with minimum concussion to the rear and sides of the shooter. Closed bottom section for less dust signature when shooting prone Precision machined from heat treated stainless steel Advanced Ionbond high temperature CrCN coating for extreme durability Fits .308/7.62mm rifles with 5/8-24 threads Features pilot hole for permanent pinning to bring 14.5" barrels to legal length Accu-Washer™ Muzzle Alignment System required for installation. The EFAB Muzzle Brake from Precision Armament is machined from heat treated stainless steel ensuring long-term reliability.

## Attributes

- Name: [PRECISION ARMAMENT EFAB HYBRID MUZZLE BRAKE 30 CAL 5/8-24 SS IONBOND](#)
- Manufacturer: [PRECISION ARMAMENT](#)
- Product no.: 100024318
- Mfr. No.: A04488
- Caliber: 30 Caliber (.308)
- Finish: Matte Black
- Material: Stainless Steel
- Threads: 5/8-24
- Weapon type: AR .308
- Delivery weight: 0.136kg
- Shipping height: 36mm
- Shipping width: 36mm
- Shipping length: 71mm

# Safety Instruction Guide for AR .308 EFAB Hybrid Muzzle Brake

## Introduction

Thank you for choosing the AR .308 EFAB Hybrid Muzzle Brake from Precision Armament. This product is designed to enhance your shooting experience by providing superior muzzle control and effective flash suppression. Please read this safety instruction guide carefully to ensure safe and proper usage.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the muzzle brake is compatible with your firearm before installation.
- Keep the muzzle brake away from children and unauthorized users.
- Always wear appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your muzzle brake for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Recoil: The muzzle brake reduces recoil but does not eliminate it. Always maintain a firm grip on your firearm.
- Dust Signature: The closed bottom section reduces dust signature but may still produce debris. Ensure a clear shooting area.
- Heat: The muzzle brake may become hot during use. Allow it to cool before handling.

### • Avoiding Hazards:

- Use the muzzle brake only on firearms for which it is designed.
- Do not modify or alter the muzzle brake in any way.
- Ensure that the muzzle brake is securely attached before firing.
- Do not shoot in enclosed spaces without appropriate ventilation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Clean the muzzle threads of your rifle to remove any debris.
- Align the muzzle brake with the threads and screw it onto the barrel in a clockwise direction.
- Use the pilot hole for permanent pinning if required to ensure compliance with legal barrel length.
- Use the AccuWasher™ Muzzle Alignment System for proper installation.

### 2. Usage:

- After installation, check the muzzle brake for secure attachment.
- When ready to shoot, assume a stable shooting position.
- Fire in a controlled manner, allowing the muzzle brake to function as intended.
- After use, inspect the muzzle brake for any signs of damage or wear.

## **Disposal Instructions**

- Dispose of the muzzle brake in accordance with local regulations.
- If the product is damaged and cannot be reused, consider recycling the metal components where applicable.
- Do not dispose of the muzzle brake in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact your local distributor or refer to the manufacturer's website for support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR .308 EFAB Hybrid Muzzle Brake. Thank you for your attention to safety.
