[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Dependability on Match Day or Everyday

ETS translucent polymer magazines pair OE reliability with lightweight performance polymer construction for your Glock 19 and 26. The translucent magazine bodies also enable you to immediately see whether a magazine is loaded or not. ETS translucent polymer magazines are compatible with Gen 1 - Gen 4 Glocks. The 10-round capacity is ideal for competition and for concealed carry where local laws prohibit large capacity magazines. Easy disassembly with specially designed base plate Compatible with Glock, as well as aftermarket floorplates Creep resistant - feed lips and body won't spread when stored, even when loaded ETS translucent polymer magazines will ensure you have a reload when you need it.

Safety Instruction Guide for MODEL 19 9MM 10RD MAGAZINE FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP 19/26

Introduction

Thank you for choosing the MODEL 19 9MM 10RD MAGAZINE FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP 19/26. This safety instruction guide provides essential information to ensure the safe and effective use of your magazine. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat every firearm and magazine as if they are loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine before each use to ensure it is in good working condition.
- Do not use the magazine with incompatible firearms or ammunition.
- Follow all local laws and regulations regarding magazine capacity and usage.

Specific Safety Precautions for Use

- Ensure the magazine is fully inserted into the firearm before attempting to fire.
- Do not attempt to disassemble the magazine while it is loaded.
- Avoid exposing the magazine to extreme temperatures, moisture, or chemicals.
- Do not use the magazine if it shows signs of damage, such as cracks or deformation.
- Store the magazine in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

2. Usage

- Load the magazine with the appropriate 9 mm Luger cartridges.
- Check the magazine capacity to ensure it does not exceed the 10round limit.
- Insert the loaded magazine into the firearm as described in the installation section.
- When finished using the magazine, remove it from the firearm and unload it in a safe area.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste if it is damaged or defective.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For inquiries related to safety concerns or product issues, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the MODEL 19 9MM 10RD MAGAZINE FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP 19/26. Your adherence to these guidelines helps ensure a safe experience for yourself and others.
