# **Safety Instruction Guide for MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock®**

## **Introduction**

Thank you for choosing the MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock®. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Ensure that the magazine is compatible with your specific Glock model (22, 23, 24, 27, or 35) before use.
- Always handle magazines and firearms with care and follow all safety protocols associated with firearm use.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect your magazine for signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Do not overload the magazine beyond its specified capacity (19 rounds).
- Ensure the magazine is properly seated in the firearm before use.
- Avoid using the magazine in extreme conditions (e.g., excessive heat or cold) to prevent material degradation.
- Store magazines in a cool, dry place when not in use to maintain their integrity.
- Be aware of the potential for feed lip creep; do not store loaded magazines for extended periods.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks securely.

### **2. Loading the Magazine:**

- Hold the magazine with the feed lips facing up.
- Insert the first round into the magazine, pressing down until it is seated.
- Continue loading rounds until the magazine reaches its maximum capacity of 19 rounds.
- Avoid using excessive force when loading to prevent damage to the magazine.

### **3. Using the Magazine:**

- Insert the loaded magazine into the firearm.
- Ensure the magazine is locked in place before attempting to fire.
- Follow all firearm safety guidelines while using the firearm with the magazine.

### **4. Unloading the Magazine:**

- Point the firearm in a safe direction.
- Remove the magazine from the firearm.
- Push the rounds out of the magazine from the bottom, ensuring they do not eject forcefully.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock®, please refer to the manufacturer's support resources.

Thank you for your attention to these safety guidelines. Your safety is our priority.
