# **Safety Instruction Guide for MODELS 2224, 27, 35 .40 S&W COMPETITION MAGS FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP**

## **Introduction**

Thank you for choosing the MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock® by Elite Tactical Systems Group. This guide provides essential safety instructions to ensure safe use and handling of this product. Please read this document carefully and keep it for future reference.

## **General Safety Guidelines**

- Ensure safe handling and storage of magazines to prevent accidents.
- Always treat all firearms and magazines as if they are loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with the firearm's manual and follow all safety instructions provided by the firearm manufacturer.
- Regularly inspect magazines for signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Only use the magazines with compatible Glock models: 22, 23, 24, 27, and 35.
- Do not modify the magazine or use it with incompatible firearms.
- Avoid exposing magazines to extreme temperatures or harsh chemicals that may compromise their integrity.
- Always check that the magazine is properly seated in the firearm before use.
- Do not overload the magazine beyond its specified capacity of 24 rounds.
- Ensure that the magazine is unloaded during cleaning or maintenance of the firearm.
- Keep fingers away from the trigger until you are ready to shoot.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.
- Verify that the magazine is secure and properly seated.

### **2. Usage:**

- Load the magazine by sliding cartridges into the magazine body, ensuring they are positioned correctly.
- To remove the magazine, press the magazine release button and pull the magazine out of the magazine well.
- Always check the magazine for proper loading and functionality before inserting it into the firearm.

## **Disposal Instructions**

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular household waste.

- Contact local waste management authorities for guidance on safe disposal of polymer materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the official website or customer support of Elite Tactical Systems Group.

Thank you for your attention to these safety instructions. Following these guidelines will help ensure a safe and enjoyable experience with your MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock®.
