# **Safety Instruction Guide for MODELS 2224, 27, 35 .40 S&W COMPETITION MAGS FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP**

## **Introduction**

Thank you for choosing the MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock® by Elite Tactical Systems Group. This guide provides essential safety instructions to ensure the safe and effective use of your magazine. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Ensure that the magazine is compatible with your Glock model (22, 23, 24, 27, or 35) before use.
- Always handle magazines and firearms safely and responsibly.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not use this magazine with ammunition that is not specified by the manufacturer.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## **Specific Safety Precautions for Use**

- Always treat every firearm as if it is loaded.
- Before loading the magazine, ensure that the firearm is pointed in a safe direction.
- Only load the magazine in a controlled environment, away from others.
- Avoid overloading the magazine beyond its specified capacity (30 rounds).
- Do not store the magazine loaded for extended periods to prevent wear on the feed lips and body.
- If the magazine fails to feed properly, cease use immediately and inspect for obstructions or damage.

## **Instructions for Installation and Usage**

### **1. Loading the Magazine:**

- Hold the magazine with the feed lips facing up.
- Insert the first round into the magazine, ensuring it is seated correctly.
- Continue to load rounds until the magazine is full or you reach the desired capacity.

### **2. Installing the Magazine in the Firearm:**

- Ensure the firearm is pointed in a safe direction.
- With the magazine loaded, align it with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### **3. Removing the Magazine:**

- Press the magazine release button on your firearm.
- Grasp the magazine and pull it straight out of the magazine well.

### **4. Disassembly for Cleaning:**

- To disassemble the magazine, ensure it is empty.
- Use the specially designed base plate to remove the base from the magazine body.
- Clean the magazine components with a suitable cleaning solution and allow them to dry.

completely before reassembly.

#### **5. Reassembly:**

- Align the base plate with the magazine body and press it back into place until it clicks.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, follow local guidelines for the safe disposal of polymer materials.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the use of this product, please refer to the official Elite Tactical Systems Group website or your local distributor.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safer experience while using the MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock®. Stay informed about your product and adhere to all safety guidelines to promote responsible usage. Thank you for your attention to safety.
