## Increase Reliability & Carrying Capacity

ETS translucent polymer magazines are constructed of lightweight performance polymer and provide OE reliability. The translucent magazine bodies are designed to make it easy to immediately recognize whether a magazine is loaded or not. The ETS translucent polymer Glock 42 magazines are available in 6 and 12-round capacities. Whether you're planning your EDC, heading out to practice, or off to the match, there is a reload to meet your needs. Easy disassembly with specially designed base plate Compatible with Glock, as well as aftermarket floorplates Creep resistant - feed lips and body won't spread when stored long term, even when loaded ETS translucent polymer magazines complete your Glock 42 carry or competition setup.

# **Safety Instruction Guide for MODEL 42 .380 MAGAZINES FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP**

## **Introduction**

Thank you for choosing the MODEL 42 .380 MAGAZINES FOR GLOCK® by ELITE TACTICAL SYSTEMS GROUP. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this document thoroughly before using the product.

## **General Safety Guidelines**

- Ensure that all users of this product are familiar with safe firearm handling practices.
- Always treat the magazine as if it is loaded, even when you believe it is empty.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Store magazines in a cool, dry place, away from direct sunlight and extreme temperatures.

## **Specific Safety Precautions for Use**

- Do not attempt to modify or alter the magazine in any way, as this may compromise safety and reliability.
- Only use the magazine with compatible Glock® models, specifically the Glock 42.
- Ensure that you are using the correct ammunition type: .380 Auto (ACP).
- Avoid overloading the magazine beyond its specified capacity of 7 rounds.
- If you experience any feeding issues or malfunctions, cease use immediately and inspect the magazine.

## **Instructions for Installation and Usage**

### **1. Loading the Magazine:**

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing up.
- Insert the first round into the magazine, pushing it down until it clicks into place.
- Repeat this process until the magazine is filled to the desired capacity (up to 7 rounds).

### **2. Inserting the Magazine into the Firearm:**

- Ensure the firearm is pointed in a safe direction and is on safe mode.
- Align the magazine with the magazine well of the Glock 42.
- Firmly push the magazine into the well until it clicks into place.

### **3. Removing the Magazine:**

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button while pulling the magazine out of the magazine well.

### **4. Disassembly for Cleaning:**

- Remove the magazine from the firearm.
- Locate the specially designed base plate at the bottom of the magazine.
- Follow the manufacturer's instructions for disassembly to clean the magazine components.

## **Disposal Instructions**

- Dispose of the magazine responsibly.
- If the magazine is damaged, consider contacting local waste management services for guidance on proper disposal.
- Do not dispose of magazines in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MODEL 42 .380 MAGAZINES FOR GLOCK®, please refer to the manufacturer's contact information provided at the time of purchase.

## **Conclusion**

Your safety and the safety of others is paramount. By following these guidelines, you can ensure the responsible and safe use of your MODEL 42 .380 MAGAZINES FOR GLOCK®. Always stay informed and practice safe handling techniques. Thank you for your attention to these important safety measures.
