## Increase Reliability & Carrying Capacity

ETS translucent polymer magazines are constructed of lightweight performance polymer and provide OE reliability. The translucent magazine bodies are designed to make it easy to immediately recognize whether a magazine is loaded or not. The ETS translucent polymer Glock 42 magazines are available in 6 and 12-round capacities. Whether you're planning your EDC, heading out to practice, or off to the match, there is a reload to meet your needs. Easy disassembly with specially designed base plate Compatible with Glock, as well as aftermarket floorplates Creep resistant - feed lips and body won't spread when stored long term, even when loaded ETS translucent polymer magazines complete your Glock 42 carry or competition setup.

# **Safety Instruction Guide for MODEL 42 .380 MAGAZINES FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP**

## **Introduction**

Thank you for choosing the MODEL 42 .380 MAGAZINES FOR GLOCK® from ELITE TACTICAL SYSTEMS GROUP. This guide provides essential safety instructions to ensure the safe and effective use of your magazine. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that you are of legal age to purchase and use firearm accessories in your country.
- Always handle magazines and firearms with care, treating every magazine as if it is loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect magazines for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and ownership of firearms and ammunition.

## **Specific Safety Precautions for Use**

- Only use the MODEL 42 .380 MAGAZINES with compatible Glock® firearms.
- Do not attempt to modify or disassemble the magazine beyond the designed disassembly process.
- Avoid exposing the magazine to extreme temperatures or chemicals that may compromise its integrity.
- Ensure that the magazine is seated correctly in the firearm before use.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the Glock® firearm.
- Push the magazine into the well until it clicks into place.

### **2. Usage:**

- To load the magazine, press down on the follower and insert rounds into the magazine, ensuring they are seated properly.
- To remove the magazine, press the magazine release button and pull the magazine out of the firearm.
- When unloading, always do so in a safe environment, ensuring the firearm is pointed in a safe direction.

## **Disposal Instructions**

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please refer to the manufacturer's website or customer service for assistance. Always keep this safety instruction guide for future reference.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the responsible use of firearm accessories.
