[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

More Rounds, More Trigger-Time

ETS translucent polymer magazines are tough and reliable. Constructed out of lightweight performance polymer, the translucent magazine bodies enable you to keep a close eye on your round count, as well as quickly identify whether or not a magazine is loaded. ETS translucent polymer 9mm H&K MP5 magazines are available in 10, 20, and 30, and 40-round capacities to accommodate your shooting demands. Built to withstand extreme impact, these magazines are ready for duty, defense or recreation. Easy disassembly with specially designed base plate Compatible with aftermarket floorplates Creep resistant - feed lips and body won't spread when stored long term, even when loaded ETS translucent polymer magazines keep your MP5 supplied for duty and for practice.

H&K MP5 9MM MAGAZINES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the H&K MP5 9MM Magazines by Elite Tactical Systems Group. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your magazines. Please read this guide carefully to understand the precautions and best practices associated with your product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding the use and storage of firearms and ammunition.
- Keep the magazines out of reach of children and unauthorized users.
- Inspect the magazines regularly for any signs of damage or wear.
- Report any unsafe products or accidents to local authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only 9mm Luger ammunition with the H&K MP5 magazines.
- Avoid exposing the magazines to extreme temperatures, moisture, or chemicals that may degrade polymer materials.
- Do not attempt to modify or disassemble the magazine beyond the recommended disassembly process.
- Always ensure that the magazine is fully seated in the firearm before use.
- Do not overload the magazine beyond its specified capacity (30 rounds).
- Use caution when handling loaded magazines to prevent accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the H&K MP5.
- Push the magazine firmly into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine securely in one hand.
- Insert the first round into the magazine with the bullet facing forward.
- Continue to load rounds until the magazine reaches its maximum capacity of 30 rounds.
- Ensure that the rounds are seated properly and the magazine is not bulging.

3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Ensure that the magazine is locked in place before attempting to fire.
- Follow all firearm safety protocols when operating the firearm.

4. Disassembly:

- To disassemble the magazine for cleaning, ensure it is unloaded.
- Press the specially designed base plate to release it from the magazine body.

- Remove the base plate and clean the interior of the magazine as needed.
- Reassemble the magazine by securing the base plate back onto the magazine body.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic waste.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the H&K MP5 9MM magazines, please consult the retailer from whom you purchased the product or visit the manufacturer's website for additional resources and support.

Thank you for prioritizing safety while using your H&K MP5 9MM magazines. Proper care and adherence to these guidelines will help ensure a safe and enjoyable experience.
