ACE Folding Stock Mechanism Safety Instruction Guide

Introduction

Thank you for choosing the DoubleStar ACE Steel Folding Stock Mechanism. This product is designed to enhance your shooting experience while ensuring safety and reliability. This guide provides important safety instructions and guidelines for the proper use, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure safe use of the ACE Folding Stock Mechanism, please adhere to the following guidelines:

- Always read and understand the product manual before use.
- Ensure that all components are in good condition before installation.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly inspect the stock mechanism for signs of wear or damage.
- Do not modify the product in any way that could compromise its safety.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the ACE Folding Stock Mechanism, please observe the following precautions:

- Ensure that the firearm is unloaded before attaching or detaching the stock mechanism.
- Always check that the folding mechanism is securely locked in place before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection while shooting.
- If using the stock mechanism in adverse weather conditions, inspect it for moisture or corrosion.
- Do not use the stock mechanism if it has been damaged or modified.

Instructions for Installation and Usage

Follow these steps for the proper installation and use of the ACE Folding Stock Mechanism:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the ACE Folding Stock Mechanism with the Ace receiver block.
- Securely attach the stock mechanism according to the manufacturer's instructions.
- Verify that the stock mechanism is locked in place and functions properly.

2. Usage:

- To deploy the stock, gently pull it away from the receiver until it locks into position.
- To fold the stock, press the release button and fold the stock back towards the receiver.
- Adjust the length of pull as needed, keeping in mind that the mechanism adds 0.55 inches to the length of pull.
- Ensure that the stock is properly secured in both the extended and folded positions.

Disposal Instructions

When it comes time to dispose of the ACE Folding Stock Mechanism, please follow these guidelines:

- Dispose of the product in accordance with local regulations for steel and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.

Contact Information for Further Support

For any safety inquiries or support regarding your ACE Folding Stock Mechanism, please refer to the manufacturer's contact information provided in the product packaging or manual.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACE Folding Stock Mechanism. Thank you for your attention to safety and responsible usage.
