

ACE AR-15 RECEIVER BLOCK - DOUBLE STAR ACE AR-15 RECEIVER BLOCK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Customize Your AR Stock with This Receiver Block

The DoubleStar ACE AR-15 Receiver Block allows users of certain AR-15 cycling systems where the bolt-carrier group travel is limited to the length of the receiver, enabling owners to use Ace stocks and accessories with the company's receiver block. Systems that can be used with the ACE AR-15 Receiver Block include the SIG Sauer 556, AR .22-caliber conversions, OA 93 systems and certain gas-piston systems that limit bolt travel. Constructed from 7075-T6 aluminum Features hard-coat anodized black finish Increases modularity of the AR-15 rifle system Those with an AR-15 looking to add any of ACE's versatile and durable accessories to their rifle can easily add the DoubleStar ACE AR-15 Receiver Block in order to allow for accessory installation.

Safety Instruction Guide for DoubleStar ACE AR15 Receiver Block

Introduction

Thank you for choosing the DoubleStar ACE AR15 Receiver Block. This guide provides essential safety information and instructions to ensure the safe use of this product. It is important to read and understand this guide before using the receiver block.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or using the receiver block.
- Use the receiver block only with compatible AR15 cycling systems as specified in the product description.
- Keep the receiver block out of reach of children and unauthorized users.
- Inspect the receiver block regularly for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and modification of firearms.

Specific Safety Precautions for Use

- Ensure that the boltcarrier group travel is limited to the length of the receiver when using the ACE AR15 Receiver Block.
- Do not exceed the manufacturer's specifications for the receiver block to avoid potential malfunctions.
- Use only Ace stocks and accessories that are designed for compatibility with the receiver block.
- Avoid using the receiver block in extreme conditions (e.g., excessive heat, moisture) that may affect its performance.
- If you notice any unusual sounds or performance issues while using the receiver block, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing stock from the AR15 receiver according to the manufacturer's instructions.
- Align the DoubleStar ACE AR15 Receiver Block with the receiver and insert it securely.
- Attach the Ace stock or accessory as per the manufacturer's guidelines.
- Doublecheck that all components are securely fastened before use.

2. Usage:

- Before each use, verify that the receiver block is properly installed and that all accessories are securely attached.
- When firing, maintain a proper grip and stance to ensure stability and control.
- After use, clean and inspect the receiver block to maintain its condition and performance.

Disposal Instructions

- Dispose of the DoubleStar ACE AR15 Receiver Block in accordance with local regulations.
- Do not dispose of the receiver block in regular household waste.
- Contact your local waste management facility for guidance on disposing of aluminum products.

Contact Information for Further Support

For any questions or concerns regarding the DoubleStar ACE AR15 Receiver Block or safety inquiries, please refer to the appropriate EU contact point or your local firearms authority.

This guide is designed to provide you with the necessary information to safely use the DoubleStar ACE AR15 Receiver Block. Always prioritize safety and compliance with local laws when handling firearms and related accessories.
