

# PRO PLUS MAGWELL FOR GLOCK® - ZEV TECHNOLOGIES PRO PLUS MAGWELL

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

## Engineered with the Professional Shooter in Mind

ZEV Technologies PRO Plus Magwell was engineered with the professional shooter in mind and to be universal for 1st - 4th Generation Glocks®. The ZEV PRO Plus Magwell is slightly more flared at the base to be wider than the stock opening, which is ideal for quickly inserting the magazine in the pistol during reloading, helping build proper muscle memory for improved consistency and reload time. Its one piece aluminum design is finished in a black matte, smooth Anodized finish and the packaging includes the mag-well, screw and wrench. Fits: 1st - 4th Gen Glock Finish: Anodized Material: Aluminum The ZEV Technologies PRO Plus Magwell is a great addition for any shooter looking for an edge without the bulk flared competition style magwell.

# PRO PLUS MAGWELL FOR GLOCK® Safety Instruction Guide

## Introduction

Thank you for purchasing the ZEV Technologies PRO Plus Magwell for your Glock® pistol. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

To ensure your safety and the safety of others while using the PRO Plus Magwell, please adhere to the following guidelines:

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition securely, away from unauthorized access.
- Use the magwell only with compatible Glock® models (1st – 4th Generation).
- Be aware of your surroundings and ensure a safe environment when handling your firearm.
- Regularly inspect your magwell and firearm for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the PRO Plus Magwell, consider the following safety precautions:

- Ensure the firearm is unloaded before installing or removing the magwell.
- Do not attempt to modify the magwell or any part of your firearm.
- Avoid using the magwell in wet or slippery conditions to prevent accidents.
- Keep the magwell clean and free from debris to ensure proper functionality.
- Use only the recommended screws and tools provided in the packaging for installation.

## Instructions for Installation and Usage

Follow these steps to install and use the PRO Plus Magwell safely:

### Installation Steps

1. **Prepare Your Firearm:** Ensure your Glock® is unloaded and pointed in a safe direction.
2. **Remove the Existing Base Plate:** If applicable, remove the existing base plate from your firearm.
3. **Align the Magwell:** Position the PRO Plus Magwell at the base of your Glock®, ensuring it aligns with the magazine well.
4. **Secure the Magwell:** Use the provided screw to attach the magwell firmly. Ensure it is tightened but do not overtighten.
5. **Check for Proper Fit:** Ensure the magwell is securely attached and does not obstruct the magazine insertion.

### Usage Steps

1. **Loading the Firearm:** Insert the magazine into the magwell until it clicks into place.
2. **Practicing Reloads:** Use the flared design to practice quick magazine changes, enhancing your muscle memory.
3. **Regular Maintenance:** Periodically check the magwell for any signs of wear or loosening and tighten as necessary.

## **Disposal Instructions**

When disposing of the PRO Plus Magwell or any associated packaging:

- Follow local regulations for the disposal of aluminum materials.
- Recycle the magwell and packaging where possible to reduce environmental impact.
- Do not dispose of in fire, as it may cause hazardous fumes or materials to be released.

## **Contact Information for Further Support**

For further assistance regarding the PRO Plus Magwell or safety inquiries, please refer to the manufacturer's contact details provided in the product packaging or on their official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your ZEV Technologies PRO Plus Magwell. Thank you for prioritizing safety.
