

AR-15 STOCK ASSEMBLY COLLAPSIBLE CARBINE LENGTH - LUTH-AR AR-15 STOCK ASSEMBLY ADJUSTABLE CARBINE LENGTH BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Enhance the Fit and Function of Your Favorite Rifle

This fully adjustable buttstock assembly by Luth-AR is a perfect upgrade for your favorite rifle or your latest build. Featuring adjustment options for length of pull, as well as vertical and lateral adjustment of the butt plate, you can create a fit that is truly your own. The Luth-AR adjustable buttstock assembly also features a bottom picatinny rail for additional accessories and a set screw which enables you to lock your stock in your favorite position, while at the same time eliminating any possible rattle. Will fit commercial and mil-spec buffer tubes Works with all .223/5.56 and most .308 AR type rifles Comes with a black medium soft butt plate NOT interchangeable with A2 standard buffer tube The Luth-AR adjustable buttstock is constructed of durable lightweight polymer and available in black or FDE.

Safety Instruction Guide for LuthAR AR15 Stock Assembly

Introduction

Thank you for choosing the LuthAR AR15 Stock Assembly. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use and maintain your product safely.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the stock assembly.
- Use the stock assembly only with compatible buffer tubes as specified in the product description.
- Regularly inspect the stock assembly for any signs of wear or damage.
- Keep the stock assembly out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the stock assembly is securely attached to the buffer tube before use to prevent accidental detachment.
- Do not exceed the recommended length of pull adjustments; excessive force can damage the assembly.
- Avoid using the stock assembly in extreme temperatures or environments that may compromise its integrity.
- If you notice any unusual sounds or movements while using the stock, stop using it immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the buffer tube by loosening the set screw.
- Align the LuthAR stock assembly with the buffer tube and slide it into place.
- Secure the stock assembly by tightening the set screw to prevent movement.
- Adjust the length of pull and butt plate position as needed for a comfortable fit.

2. Usage

- Adjust the length of pull by loosening the adjustment knob and sliding the stock to your desired length.
- For vertical and lateral adjustments, loosen the corresponding screws and position the butt plate as desired, then tighten the screws securely.
- Use the bottom picatinny rail for attaching any additional accessories, ensuring they do not interfere with the firearm's operation.

Disposal Instructions

- Dispose of the LuthAR AR15 Stock Assembly in accordance with local regulations.
- Do not dispose of the product in regular household waste; check for recycling options for polymer materials.
- Ensure that any components that may be hazardous are disposed of safely.

Contact Information for Further Support

For any questions or concerns regarding the LuthAR AR15 Stock Assembly, please refer to the manufacturer's website or contact your local distributor. Always ensure you are following the latest safety guidelines and product updates.

Thank you for prioritizing safety in your shooting activities. Enjoy your enhanced shooting experience with the LuthAR AR15 Stock Assembly!
