

# AR-15 STOCK ASSEMBLY COLLAPSIBLE CARBINE LENGTH - LUTH-AR AR-15 STOCK ASSEMBLY ADJUSTABLE CARBINE LENGTH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Enhance the Fit and Function of Your Favorite Rifle

This fully adjustable buttstock assembly by Luth-AR is a perfect upgrade for your favorite rifle or your latest build. Featuring adjustment options for length of pull, as well as vertical and lateral adjustment of the butt plate, you can create a fit that is truly your own. The Luth-AR adjustable buttstock assembly also features a bottom picatinny rail for additional accessories and a set screw which enables you to lock your stock in your favorite position, while at the same time eliminating any possible rattle. Will fit commercial and mil-spec buffer tubes Works with all .223/5.56 and most .308 AR type rifles Comes with a black medium soft butt plate NOT interchangeable with A2 standard buffer tube The Luth-AR adjustable buttstock is constructed of durable lightweight polymer and available in black or FDE.

# Safety Instruction Guide for AR15 Stock Assembly Collapsible Carbine Length LuthAR

## Introduction

Thank you for choosing the LuthAR AR15 Stock Assembly. This guide provides essential safety instructions and information to ensure safe and effective use of this product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its components before using the AR15 Stock Assembly.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the stock assembly out of reach of children and unauthorized users.
- Regularly inspect the stock assembly for any signs of damage or wear before each use.
- Store the stock assembly in a secure location when not in use.

## Specific Safety Precautions for Use

- Do not use the stock assembly with incompatible buffer tubes. This assembly is designed for commercial and milspec buffer tubes only.
- Ensure that the adjustable features are securely locked before firing the firearm to prevent any movement during use.
- Avoid placing excessive weight on the stock assembly that could lead to breakage or malfunction.
- If you notice any unusual noise or movement while using the stock assembly, stop using it immediately and inspect for issues.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a wrench for securing the stock.
2. **Remove Existing Stock:** If replacing an existing stock, carefully remove it from the buffer tube.
3. **Attach the LuthAR Stock Assembly:**
  - Slide the stock assembly onto the buffer tube.
  - Secure it in place using the set screw provided to eliminate any rattle.
4. **Adjust Length of Pull:** Adjust the length of pull to your preference by moving the butt plate and locking it in place.
5. **Check Stability:** Ensure that the assembly is firmly attached and does not move when pulled or pushed.

### Usage

- Adjust the stock to fit your shoulder comfortably before shooting.
- Regularly check the adjustment mechanisms to ensure they remain secure during use.
- Use the bottom picatinny rail for attaching additional accessories only as specified by the manufacturer.

## Disposal Instructions

- Dispose of the stock assembly in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling programs that accept polymer materials.

- If damaged, ensure that the product is rendered unusable before disposal to prevent accidental use.

## **Contact Information for Further Support**

For any safety inquiries, product information, or support, please refer to the manufacturer's contact point as specified on the product packaging or website.

By following these safety instructions and guidelines, you can ensure safe and effective use of your LuthAR AR15 Stock Assembly. Thank you for your attention to safety.
