## Super-Durable & Ultra-Dependable PMAG Refined & Battle-Hardened By Combat Experience

The next-generation PMAG AR/M4 GEN M3 is a 30-round polymer magazine for AR15/M4 compatible weapons chambered in 5.56x45 NATO / .223 Remington. Along with expanded feature set and compatibility, the GEN M3 incorporates new material technology and manufacturing processes for enhanced strength, durability, and reliability that exceed rigorous military performance specifications. While the GEN M3 is optimized for Colt-spec AR15/M4 platforms, modified internal and external geometry also permits operation with a range of additional weapons, such as the HK® 416/MR556A1/M27 IAR, British SA-80, FN® SCAR™ MK 16/16S, and others. Similar to the MOE® PMAG, the GEN M3 features a long-life USGI-spec stainless steel spring for commonality, a four-way anti-tilt follower, constant-curve internal geometry for reliable feeding, and simple tool-less disassembly for easy cleaning. The PMAG GEN M3 also includes a redesigned bolt catch notch in the rear of the magazine that provides increased bolt catch clearance, while an over-travel stop on the spine helps ensure the magazine will not over-insert on compatible weapons. Low profile ribs and new, aggressive front and rear texture give positive control of the GEN M3 in all environments, and a paint pen dot matrix has been added to the bottom panel of the body to allow easy marking for identification. The new, easy to disassemble flared floorplate aids extraction and handling of the magazine while providing improved drop protection, but is slightly slimmer than before for better compatibility with tight double and triple magazine pouches. FEATURES 30 or 40-round reliability with no stoppages Easy Identification - Use the paint pen dot matrix to easily identify your different loads when it's crunch time Advanced follower- The anti-tilt, self-lubricating follower ensures a smooth feed and magazine reliability Slimline floorplate - Improved flared floorplate aids magazine handling and disassembly and is slim enough for use with many double and triple pouches Next-generation impact and crush-resistant polymer construction that includes constant-curve internal geometry for smooth feeding Modified dimensions allow for wider compatibility with non Colt-spec 'STANAG 4179' platforms Constant-curve internal geometry, over-travel insertion stop on the spine, and a long-life stainless steel spring ensure smooth feeding Made in the USA. SPECS Caliber: 5.56x45mm / .223 Remington Platform: AR15, M4, M16, SA-80 Capacity: 30 or 40 Rounds depending on magazine Weight: 5 oz. Length, max: 7.5 in. Compatibility: Wide compatibility with most 'STANAG 4179' platforms such as the AR15, M4, M16, SCAR MK16/16S, HK416, MR556, M27 IAR, IWI Tavor, and others

The MAGPUL PMAG GEN M3 polymer magazine continues to revolutionize magazine technology for the AR-15 / M4 platforms. The third-generation PMAG further expands the strength, reliability, and versatility of the original PMAG. The MAGPUL PMAG GEN M3 is molded from a polymer formula that delivers distinctly greater resistance to crushing and all forms of impact, with extra reinforcement in the mag catch and feed lip areas. Long-life USGI-spec stainless steel spring Four-way anti-tilt follower and constant-curve internal

geometry for reliable feeding Tool-less disassembly for easy cleaning Pop-off dust cover helps minimize debris intrusion Removable floorplate is both stronger and slimmer Fully compatible with the HK 416 and MR556A1, M27 IAR, British SA-80, and FN SCAR MK 16/16S. The MAGPUL PMAG GEN M3 features pen dot matrix on each side providing consistent ID marking that resists handling wear. PMAG 30 is available with plain, solid sides.

## Attributes

- Name: [MAGPUL PMAG GEN M3 5.56/.223 30RD FOR AR-15 COYOTE 1/PACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100024603
- Mfr. No.: MAG557-MCT
- Action Type: -
- Capacity: 30-Round
- Cartridge: 5.56 mm NATO
- Finish: Tan
- Material: Polymer
- Weapon type: AR-15
- Delivery weight: 0.159kg
- Shipping height: 38mm
- Shipping width: 127mm
- Shipping length: 318mm
- UPC: 840815117162

## Item details

Made in USA

US export classification: 0A501.d

# PMAG® AR/M4 GEN M3 Safety Instruction Guide

## Introduction

Thank you for choosing the PMAG® AR/M4 GEN M3 5.56x45 NATO Rifle Magazine. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the magazine.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the magazine is compatible with your firearm.
- Store magazines in a safe location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure the PMAG GEN M3 is used with AR15/M4 compatible platforms. Check for compatibility with other models, such as HK® 416/MR556A1/M27 IAR, British SA80, and FN® SCAR™ MK 16/16S.
- **Loading:** Follow the manufacturer's guidelines for loading the magazine. Do not exceed the specified capacity of 30 or 40 rounds.
- **Inspection:** Before use, inspect the magazine for any cracks, deformities, or other signs of wear. Do not use a damaged magazine.
- **Cleaning:** Clean the magazine regularly to ensure reliable operation. Follow the disassembly instructions provided in the usage section.
- **Handling:** Always handle the magazine with care. Avoid dropping or subjecting it to unnecessary impact.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure your firearm is unloaded and pointed in a safe direction.
  - Insert the PMAG GEN M3 into the magazine well of your firearm until you hear an audible click.
  - Check that the magazine is securely locked in place.
- **Usage:**
  - Load the magazine by pressing down on the follower and inserting rounds one at a time.
  - Ensure the rounds are seated properly and the magazine is filled according to the manufacturer's specifications.
  - To remove the magazine, press the magazine release button and pull the magazine out of the magazine well.
  - When finished using the magazine, store it in a safe location.

## Disposal Instructions

- Dispose of the PMAG GEN M3 responsibly. If the magazine is damaged or no longer usable, consider recycling it if local regulations permit.
- Do not dispose of magazines in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or assistance, please contact the manufacturer or your local distributor. Ensure you have the product details available for reference.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your PMAG® AR/M4 GEN M3 5.56x45 NATO Rifle Magazine.
