[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## Gives Your M&P 9mm/.40 a Smoother, Lighter, More Consistent Trigger Pull

Apex Tactical's Polymer Action Enhancement Trigger Kit is engineered to give the S&W M&P 9mm / .40 a smoother, more consistent, lighter (5 to 5-1/2 lb.) trigger pull with a shorter reset than the factory trigger. The Apex M&P 9mm / .40 Polymer Action Enhancement Trigger Kit reduces trigger pre-travel and over-travel by approximately 20%, while the rounded face gives the shooter's finger a comfortable surface when firing. Keeps safe trigger pull weight for duty/carry applications. Center mounted pivoting safety maintains factory safety values. Works with all S&W M&P pistols in 9mm and .40 S&W. Will NOT work in M&P45, M&P M2.0, M&P Shield, or .22 LR models. The Apex M&P 9mm/.40 Polymer Action Enhancement Trigger Kit is designed to drop in and normally should not require further gunsmithing. However, armorer or gunsmith installation is recommended. Kit includes: trigger, heavy duty sear spring, fully machined sear, duty/carry spring set, Ultimate Striker Block Kit, and slave pin for installing trigger return spring.

## Attributes

# Safety Instruction Guide for S&W M&P Action Enhancement Polymer Trigger & Duty/Carry Kit

## Introduction

Thank you for choosing the S&W M&P Action Enhancement Polymer Trigger & Duty/Carry Kit from Apex Tactical Specialties Inc. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** This product is designed to enhance the performance of your S&W M&P pistol. Ensure that you follow all safety instructions to avoid accidents.
- **Enhanced Recalls:** Be aware that if any safety issues arise, recall notices will be provided. Stay informed about any product recalls related to your kit.
- **Online Shopping Safety:** When purchasing online, ensure that you buy from reputable sources that comply with EU safety requirements.
- **Consumer Focus:** This product is not intended for use by children. Keep all components out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact details provided with your purchase.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Installation Warning:** Installation should be performed by a qualified armorer or gunsmith. Improper installation may lead to malfunction or unsafe operation.
- **Trigger Pull Weight:** The kit reduces trigger pull weight. Ensure you are familiar with the new trigger characteristics before use.
- **Safety Features:** The kit includes a centermounted pivoting safety. Confirm that it is functioning correctly before using the firearm.
- **Compatibility:** This kit is designed for S&W M&P 9mm and .40 models only. Do not attempt to use it with M&P45, M&P M2.0, M&P Shield, or .22 LR models.
- **Testing:** After installation, conduct a function check to ensure that the trigger operates safely and correctly.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools, including a punch set, screwdriver, and any specific tools recommended by the manufacturer.
2. **Disassemble the Firearm:** Safely unload and disassemble your S&W M&P pistol according to the manufacturer's instructions.
3. **Remove the Factory Trigger:** Carefully remove the factory trigger and associated components from the firearm.
4. **Install the Apex Trigger Kit:**
  - Insert the new trigger into the trigger housing.
  - Install the heavyduty sear spring and fully machined sear.
  - Attach the duty/carry spring set.
  - Follow the instructions included in the kit for the Ultimate Striker Block Kit and slave pin

installation.

5. **Reassemble the Firearm:** Carefully reassemble your firearm, ensuring all parts are correctly placed and secured.
6. **Function Check:** With the firearm unloaded, perform a function check. Ensure the trigger operates smoothly and that all safety features function correctly.

## Usage Instructions

- **Firing the Weapon:** When firing, maintain a proper grip and stance. Be aware of the lighter trigger pull and shorter reset.
- **Safe Handling:** Always treat your firearm as if it is loaded. Follow all standard firearm safety rules.
- **Regular Maintenance:** Regularly inspect the trigger mechanism for wear or damage. Clean and maintain your firearm according to the manufacturer's guidelines.

## Disposal Instructions

- **Disposal of Components:** Dispose of any old trigger components and packaging materials in accordance with local regulations. Do not dispose of in regular trash if prohibited by local laws.
- **Environmental Considerations:** Ensure that all materials are disposed of in an environmentally responsible manner.

## Contact Information for Further Support

For any further support or inquiries regarding the S&W M&P Action Enhancement Polymer Trigger & Duty/Carry Kit, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and enjoyable experience with your S&W M&P Action Enhancement Polymer Trigger & Duty/Carry Kit. Always prioritize safety and responsible firearm handling.
