

AR-15 A1 REAR SIGHT ASSEMBLY - LUTH-AR AR-15 ADJUSTABLE REAR SIGHT ASSEMBLY BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Gives Your Retro Rifle a True "Old School" Look

The Luth-AR AR-15 A1 Rear Sight Assembly adds that extra touch of authenticity to your retro build. It is designed to look and act the part of the original-style rear sight on your reproduction AR-15 / M16A1. While the modern AR offers various improvements there's nothing wrong with having an appreciation for Eugene Stoner's original design. The Luth-AR reproduction A1 Rear Sight Assembly features all-steel construction and non-reflective a matte black finish. It includes the aperture, windage drum, detent, detent spring, windage screw, and roll pin, so it is ready to install on your next build - or to give an existing rifle a different look.

Safety Instruction Guide for LuthAR AR15 A1 Rear Sight Assembly

Introduction

Thank you for choosing the LuthAR AR15 A1 Rear Sight Assembly. This guide provides essential safety instructions and information regarding the installation, usage, and disposal of the product. Please read this guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is suitable for your specific model of AR15 before installation.
- Always handle firearms and related accessories with care and in accordance with local laws and regulations.
- Keep the assembly out of reach of children and unauthorized users.
- Regularly inspect the sight assembly for any signs of wear or damage.
- If you notice any defects or irregularities, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Only use the LuthAR AR15 A1 Rear Sight Assembly with compatible firearms.
- Ensure that the firearm is unloaded before attempting to install or adjust the sight assembly.
- Follow all manufacturer instructions for installation and adjustment to avoid misalignment or improper function.
- Do not use the sight assembly if it has been damaged or modified in any way.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is completely unloaded.
- Remove the existing rear sight if applicable, following the manufacturer's instructions.
- Align the LuthAR AR15 A1 Rear Sight Assembly with the mounting points on your firearm.
- Secure the sight assembly using the provided roll pin and windage screw.
- Confirm that the sight is properly aligned and securely fastened.

2. Usage

- Familiarize yourself with the sight's features, including the aperture and windage adjustments.
- Adjust the windage drum as needed to align the sight with your point of aim.
- Practice proper shooting techniques to ensure accuracy and safety.
- After use, clean and maintain the sight assembly according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the sight assembly in accordance with local regulations regarding firearm accessories.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent accidental use.
- Consider recycling materials where applicable, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns about the LuthAR AR15 A1 Rear Sight Assembly, please refer to the manufacturer's website or customer support resources for assistance. Always ensure that you are following the latest guidelines and safety practices.
