

# GRIP PLUG KIT FOR GLOCK® 42/43 - GHOST GRIP PLUG KIT FOR GLOCK® 42/43

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

## Keeps Dirt & Debris Out Of The Backstrap Channel

Ghost's Grip Plug for Glock® 42 / 43 pistols is a drop-in part that blocks debris from entering your pistol's mechanism through the opening behind the magazine well. Requires no permanent modifications to your pistol: simply push the Ghost Grip Plug into the cavity and friction holds it securely inside the frame. The plug slightly compresses during insertion, then expands in the cavity for a snug fit that'll stand up to the 42 / 43's snappy recoil. Smooth, flush fit Durable molded polymer construction Black color matches the rest of your Glock 42 / 43 The Ghost Grip Plug also provides a smooth exterior surface that eliminates the risk of the open cavity snagging on clothing, your holster, or other gear. As a bonus, it gives your Glock® 42 / 43 a clean, finished look.

## Attributes

# GRIP PLUG KIT FOR GLOCK® 42/43 Safety Instructions

## Introduction

Thank you for choosing the Ghost Grip Plug Kit for your Glock® 42/43. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure the product is compatible with your Glock® model (42 or 43) before installation.
- Always handle your firearm in a safe manner and follow all applicable laws and regulations.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Grip Plug for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not attempt to modify the Grip Plug or any part of your firearm.
- Ensure the firearm is unloaded before installation.
- Avoid using the Grip Plug if it shows signs of damage or does not fit securely in the magazine well.
- Be aware of the potential for debris to enter the firearm if the Grip Plug is not installed correctly.
- Maintain awareness of your surroundings when handling your firearm to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your Glock® 42 or 43 is unloaded and pointed in a safe direction.
- Gather your tools if needed, although installation typically requires no additional tools.

### 2. Installation

- Locate the cavity behind the magazine well of your Glock® 42/43.
- Align the Ghost Grip Plug with the cavity.
- Firmly push the Grip Plug into the cavity. The plug will compress slightly during insertion and then expand for a snug fit.
- Ensure the Grip Plug is flush with the frame and securely in place.

### 3. Usage

- After installation, check the fit of the Grip Plug by lightly tugging on it to ensure it does not move.
- Regularly inspect the Grip Plug during routine maintenance of your firearm.
- If you experience any issues with the Grip Plug, remove it immediately and consult this guide.

## Disposal Instructions

- Dispose of the Grip Plug in accordance with local regulations.
- If the product is damaged or no longer needed, ensure it is disposed of in a way that prevents accidental use.

## **Contact Information for Further Support**

For any inquiries regarding the safety or use of the Ghost Grip Plug Kit, please refer to the appropriate contact resources available in your region. Ensure that you have the product details handy for any support requests.

Thank you for following these safety instructions. Your safety and the safety of others depend on responsible firearm handling and maintenance.
