PROGLO TRITIUM ROUND FRONT SIGHT FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the AmeriGlo Glock® ProGlo Illuminated Round Front Night Sight. This guide provides important safety instructions and information to ensure the safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

The following guidelines are designed to promote the safe use of the AmeriGlo Glock® ProGlo Front Night Sight:

- Ensure that the product is installed correctly to avoid any potential hazards.
- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Inspect the sight regularly for any signs of wear or damage.
- Keep the sight clean and free from obstructions to maintain optimal visibility.
- Store your firearm and accessories in a safe place, away from children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Specific Safety Precautions for Use

When using the AmeriGlo Glock® ProGlo Front Night Sight, please consider the following precautions:

- The tritium lamp is designed to last for 20 years; however, if the light fades or becomes dim, replace the sight.
- Do not attempt to disassemble or modify the sight, as this may compromise its safety and effectiveness.
- Avoid exposing the sight to extreme temperatures or harsh chemicals, which may damage the tritium lamp or the sight itself.
- If you experience any issues with the sight, contact a qualified gunsmith or the manufacturer for assistance.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of your AmeriGlo Glock® ProGlo Front Night Sight:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory front sight using the appropriate tools.
- Align the AmeriGlo sight with the front sight dovetail on your Glock®.
- Secure the sight in place according to the manufacturer's instructions, ensuring it is firmly attached.

2. Usage:

- Familiarize yourself with the sight by practicing in a safe environment.
- Use the sight in lowlight conditions to experience its full capabilities.
- Always maintain proper shooting posture and grip when aiming your firearm.

Disposal Instructions

When disposing of the AmeriGlo Glock® ProGlo Front Night Sight, please follow these guidelines:

- Do not throw the sight in regular household waste.
- Check with local regulations regarding the disposal of tritium-containing products.
- If in doubt, contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries regarding the AmeriGlo Glock® ProGlo Front Night Sight, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details ready when seeking assistance.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of your AmeriGlo Glock® ProGlo Illuminated Round Front Night Sight. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety instructions.
