Safety Instruction Guide for PROGLO TRITIUM ROUND FRONT SIGHT for GLOCK®

Introduction

Thank you for purchasing the AmeriGlo Glock® ProGlo Illuminated Round Front Night Sight. This product is designed to enhance your shooting experience with superior visibility in lowlight conditions. It is built to law enforcement and military specifications, providing a reliable and durable option for your Glock® pistol. Please read this safety instruction guide carefully to ensure safe and effective use of your new sight.

General Safety Guidelines

- Ensure that the sight is installed correctly before use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect your sight for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The tritium lamp glows orange and is designed to last over 20 years. Do not attempt to disassemble or modify the lamp.
- If the sight becomes damaged or the tritium lamp is broken, do not handle the broken pieces. Contact local authorities for proper disposal.
- Always use the sight in conjunction with proper firearm safety practices.
- Ensure that the sight is compatible with your specific Glock® model before installation.

Instructions for Installation and Usage

1. Installation Steps:

- Make sure your firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight from your Glock® pistol according to the manufacturer's instructions.
- Align the AmeriGlo ProGlo front sight with the sight dovetail on your Glock®.
- Securely install the sight using the appropriate tools, ensuring that it is tightly fitted but not overtightened.
- Verify that the sight is properly aligned and securely attached before proceeding.

2. Usage Instructions:

- When aiming, ensure that the sight is aligned with the rear sight for optimal accuracy.
- The luminescent orange or green ring around the lamp enhances visibility in lowlight conditions.
- Practice regularly to become familiar with the sight's performance in various lighting environments.

Disposal Instructions

- If the tritium lamp is damaged or the sight needs to be disposed of, contact local authorities for guidance on safe disposal methods.
- Do not dispose of the sight in regular household waste. Follow local regulations regarding hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the AmeriGlo Glock® ProGlo Illuminated Round Front Night Sight, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for prioritizing safety and compliance while using your new sight. Enjoy your enhanced shooting experience!
