Get Ready for Your Nighttime Fight

Keep your fighting gun nighttime ready with the AmeriGlo Glock® ProGlo Illuminated Round Front Night Sight. Designed for use by LE and military professionals, the AmeriGlo Glock® ProGlo Illuminated Front Night Sight features a tritium lamp that produces a visible glow for up to 20 years without the need for batteries or ambient lighting. Sight post measures 0.200 inches in height. Features luminescent green or orange right around lamp. Lamp color itself is green. The AmeriGlo Glock® ProGlo Illuminated Front Night Sight will fit all Glock® pistol models and is built using bar-stock steel.

Safety Instruction Guide for AmeriGlo ProGlo Tritium Round Front Sight for Glock®

Introduction

Thank you for choosing the AmeriGlo ProGlo Tritium Round Front Sight for your Glock® pistol. This guide provides important safety instructions and usage information to ensure that you can use this product safely and effectively. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid any safety hazards.
- Always handle your firearm safely and responsibly.
- Keep the sight and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- If you notice any issues, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- The tritium lamp is designed to provide illumination in lowlight conditions. However, it does not replace proper training and safe handling practices.
- Do not attempt to disassemble or modify the sight. Doing so may result in injury or damage to the product.
- Avoid exposing the sight to extreme temperatures or harsh chemicals, as these can affect its performance and safety.
- If the sight is damaged or if the tritium lamp appears to be leaking, do not use the sight and contact a qualified professional for assessment.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction before starting the installation.
- Use appropriate tools to install the sight onto your Glock® pistol. Follow the manufacturer's specifications for torque settings.
- Confirm that the sight is securely attached before use.

2. Usage:

- Familiarize yourself with the sight's features. The luminescent green or orange outline enhances visibility in lowlight conditions.
- Practice using the sight in a safe environment to become accustomed to its alignment and aiming capabilities.
- Regularly check the sight's functionality, especially before using your firearm in critical situations.

Disposal Instructions

- Dispose of the sight in accordance with local regulations for hazardous materials.
- Do not throw the sight in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AmeriGlo ProGlo Tritium Round Front Sight, please refer to the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience with your AmeriGlo ProGlo Tritium Round Front Sight. Always prioritize safety and responsible firearm handling.
