Safety Instruction Guide for PROGLO TRITIUM SQUARE FRONT SIGHT 165X140 for GLOCK®

Introduction

Thank you for choosing the AmeriGlo Glock® ProGlo Illuminated Square Front Night Sight. This product is designed for law enforcement and military personnel, providing a reliable sighting system for your Glock® handgun. This guide contains important safety instructions and information to ensure the safe and effective use of your night sight.

General Safety Guidelines

- Ensure the product is compatible with your specific Glock® model before installation.
- Always handle your firearm safely and responsibly, following all local laws and regulations.
- Keep the night sight clean and free from obstructions to maintain optimal visibility.
- Store the firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.

Specific Safety Precautions for Use

- Do not attempt to modify or disassemble the night sight.
- Avoid exposing the sight to extreme temperatures, moisture, and corrosive substances.
- Use appropriate protective eyewear when handling and installing the night sight.
- Be aware of your surroundings when using your firearm equipped with the night sight.
- If you notice any malfunction or unusual performance, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure your Glock® handgun is unloaded and pointed in a safe direction.
- Remove the existing front sight using a sight pusher or appropriate tool.
- Align the AmeriGlo ProGlo sight with the sight dovetail on your Glock®.
- Gently press the sight into place, ensuring it is secure and properly aligned.
- Check for any movement; the sight should be stable and fixed.

2. Usage

- The tritium lamp provides a green glow for lowlight conditions, allowing for quick target acquisition.
- Ensure the surrounding luminescent ring is visible and clean for enhanced visibility.
- Practice using the sight in various lighting conditions to become familiar with its performance.
- Regularly check the sight for functionality, especially if it has been exposed to harsh conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the night sight in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AmeriGlo Glock® ProGlo Illuminated Square Front Night Sight, please consult the official AmeriGlo website or contact your retailer for assistance.

By following these guidelines, you can ensure the safe and effective use of your PROGLO TRITIUM SQUARE FRONT SIGHT. Thank you for prioritizing safety and responsibility.
