

ACTION ENHANCEMENT KIT FOR GLOCK® - APEX TACTICAL SPECIALTIES INC ACTION ENHANCEMENT KIT FOR GLOCK-RED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Provided Precision Enhancement of Your Favorite Glock

The Apex Action Enhancement Kit for Glock pistols offers Glock pistol owners a chance to improve a number of qualities in their Glock's trigger pull. The Apex Action Enhancement Kit for Glock pistols directly replaces Glock's factory polymer trigger, and the new design works to improve overall trigger travel, smoothen the pull, provide a clean trigger break and produce a more tactile reset. Built for competition use Features red finish Reduces trigger pull by about 1 pound Factory-implemented safeties are still in place The Apex Action Enhancement Kit for Glock pistols fits Glock G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34 and G35 pistol models. NOT FOR USE IN GEN 5 GLOCKS

Safety Instruction Guide for the Apex Action Enhancement Kit for Glock

Introduction

Thank you for choosing the Apex Action Enhancement Kit for your Glock pistol. This guide provides essential safety instructions and information to ensure the safe use and installation of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm ownership and use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. Do not use if any part is damaged or malfunctioning.
- Always wear appropriate safety equipment, such as eye protection, when handling firearms.

Specific Safety Precautions for Use

- This kit is designed for Glock models G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, and G35.
- **NOT FOR USE IN GEN 5 GLOCKS.**
- Ensure that the firearm is unloaded before installation or maintenance.
- Verify that the safety features of the firearm are operational after installation.
- Do not modify or alter the kit or any of its components in any way.
- Be aware that the trigger pull will be reduced by approximately 1 pound after installation, which may affect the firearm's handling characteristics.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools for installation, including a punch tool and a hammer.
- Ensure you are working in a clean, welllit environment.

2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory polymer trigger from the Glock pistol according to the manufacturer's instructions.
- Carefully install the Apex Action Enhancement Kit trigger into the Glock frame, ensuring that all components are seated correctly.
- Follow the provided instructions to adjust the trigger travel and reset as needed.
- Reassemble the firearm and perform a function check to ensure proper operation.

3. Usage:

- When using the firearm, maintain a proper grip and stance.
- Practice safe handling techniques, including keeping your finger off the trigger until ready to fire.
- Regularly check the trigger and its components for proper function.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use or is damaged beyond repair, dispose of it in a safe manner to prevent accidental use.
- Check local guidelines for the disposal of firearm parts and accessories.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Apex Action Enhancement Kit, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

This safety instruction guide complies with the EU General Product Safety Regulation (GPSR) and aims to ensure the safe use of the Apex Action Enhancement Kit for Glock pistols. Please adhere to all safety guidelines and instructions. Thank you for your attention to safety.
