ZEV SIGHT SET Safety Instructions

Introduction

Thank you for choosing the ZEV Sight Set, designed to enhance your shooting experience. This guide provides important safety information, installation instructions, and usage guidelines to ensure a safe and enjoyable experience with your new sight set. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the ZEV Sight Set is installed correctly before using your firearm.
- Always handle firearms with care and follow all safety protocols.
- Store the sight set and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms.
- Ensure that the firearm is unloaded before installing or adjusting the sight set.
- Do not attempt to modify the sight set or use it in any way that is not intended by the manufacturer.
- Be aware of your surroundings and ensure a clear shooting area.
- Follow all local laws and regulations regarding firearm usage.

Instructions for Installation and Usage

1. Installation of the Front Sight

- Ensure the firearm is unloaded.
- Remove the factory front sight using a sight pusher or appropriate tool.
- Align the ZEV black front sight with the dovetail slot and press it into place.
- Secure the sight using the set screw provided.

2. Installation of the Rear Sight

- Remove the factory rear sight using a sight pusher or appropriate tool.
- Align the Combat V3 rear sight with the dovetail slot and press it into place.
- Secure the sight using the set screw provided.

3. Adjusting the Sights

- After installation, test the alignment of the sights.
- Make any necessary adjustments to ensure proper aim.
- Always check the alignment after any significant impact or drop.

4. Using the Sight Set

- Familiarize yourself with the sight picture before using the firearm.
- Practice aiming in a controlled environment to ensure comfort and accuracy.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations.

- Do not dispose of the sight set in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ZEV Sight Set, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the ZEV Sight Set.
