ZEV +5 BASEPAD FOR GLOCK® MAGAZINE BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Increase the Capacity of Your Factory Magazines

The Zev Tech +5 Magazine Basepad allows owners of factory Glock® pistol magazines to increase the capacity of their factory-built mags with five extra rounds of ammunition in 9mm magazines. The Zev Tech +5 Magazine Basepad is designed based on the company's efforts using a similar basepad for the Magpul PMAG 17 GL9 and uses a multi-piece design that provides increased capacity while retaining reliable function. Provides four extra rounds on .40 S&W magazines. Fits all standard Glock® 9mm and .40 S&W magazines. Includes redesigned spring. The Zev Tech +5 Magazine Basepad does not come with a Glock® factory magazine, and users must supply their own mags.

ZEV +5 BASEPAD FOR GLOCK® MAGAZINES

Safety Instruction Guide

Introduction

Thank you for choosing the ZEV +5 Basepad for Glock® Magazines. This product is designed to enhance the capacity of your factory Glock® magazines safely and effectively. Please read this safety instruction guide carefully to ensure proper use and to understand the safety precautions necessary for your protection.

General Safety Guidelines

- Ensure safe use of the ZEV +5 Basepad by following all instructions provided.
- Be aware of potential hazards associated with using this product, including improper installation and use.
- Regularly check for product recalls and safety updates through the EU Safety Gate platform.
- If you experience any issues or concerns regarding safety, please report them to the relevant authorities.

Specific Safety Precautions for Use

- Only use the ZEV +5 Basepad with compatible factory Glock® magazines.
- Ensure that the basepad is securely attached before using the magazine.
- Do not exceed the recommended magazine capacity.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the basepad and magazine regularly for any signs of damage or wear.
- Avoid using the product in adverse conditions that may affect its performance.

Instructions for Installation and Usage

1. Installation

- Ensure you have a compatible factory Glock® magazine.
- Remove the existing basepad from the magazine by pressing the release button and sliding it off.
- Align the ZEV +5 Basepad with the magazine and slide it into place until it clicks securely.
- Ensure that the redesigned spring is properly installed to support the increased capacity.

2. Usage

- Load the magazine with ammunition, ensuring you do not exceed the maximum capacity.
- Confirm that the basepad is securely attached before inserting the magazine into your firearm.
- Practice safe handling procedures while using your firearm, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to shoot.

Disposal Instructions

- Dispose of the ZEV +5 Basepad in accordance with local regulations regarding plastic waste.
- Do not dispose of the product in fire, as it may cause harmful emissions.

Contact Information for Further Support

For any inquiries regarding safety or product use, please reach out to your local authorized dealer or manufacturer's support service.
