

# AR10 SCRAPER - REAL AVID AR-10 SCRAPER

[Gunsmith Tools](#) > [Rifle Tools](#) > [Combination Tools](#)

## Keep Your AR10 Running Right

Owners of AR-platform rifles know how dirty their guns can get, and carbon can bake on easily and be nearly impossible to remove. That's why the Real Avid AR10 Scraper is a must-have tool for these big-bore rifle owners. The Real Avid AR10 Scraper features precision-made surfaces that are designed to mate up on 12 different surfaces on an AR10 bolt carrier group. Will clean large and small firing pins. Designed to clean inside and outside of bolt tail. Scrapes carbon from inside of bolt lugs with ease. In addition, the Real Avid AR10 Scraper also features a retaining-pin punch, 0.25-inch bit driver and a bottle opener.

# Safety Instruction Guide for Real Avid AR10 Scraper

## Introduction

Thank you for choosing the Real Avid AR10 Scraper. This tool is designed to assist owners of ARplatform rifles in maintaining their firearms by effectively removing carbon buildup. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the AR10 Scraper in accordance with the manufacturer's instructions.
- Inspect the tool before each use to ensure it is in good condition and free from defects.
- Keep the scraper out of reach of children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the scraper.
- Be aware of your surroundings and ensure that no one is in close proximity while using the tool.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The sharp edges of the scraper can cause cuts or lacerations.
- Improper use can lead to damage to the firearm or injury to the user.

- **Instructions for Avoiding Hazards:**

- Always handle the scraper with care and store it in a safe location when not in use.
- Do not use the scraper on any surface other than the designated areas of the AR10 bolt carrier group.
- Avoid excessive force when scraping to prevent damage to the firearm components.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18. Ensure that adult supervision is present if minors are involved in any firearm maintenance activities.

## Instructions for Installation and Usage

- **Installation:**

- No installation is required for the AR10 Scraper. It is ready for use upon purchase.

- **Usage Instructions:**

1. Ensure the firearm is unloaded and pointed in a safe direction before beginning maintenance.
2. Select the appropriate scraping surface based on the area you intend to clean.
3. Gently scrape the carbon buildup from the designated area, applying minimal pressure.
4. Use the retaining pin punch and bit driver as needed for additional maintenance tasks.
5. After use, clean the scraper to remove any carbon deposits and store it safely.

## **Disposal Instructions**

- Dispose of the AR10 Scraper responsibly.
- If the scraper becomes damaged or is no longer usable, check local regulations for proper disposal methods.
- Do not dispose of the scraper in regular household waste. Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Real Avid AR10 Scraper, please refer to the manufacturer's contact information provided with the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the Real Avid AR10 Scraper. Always prioritize safety and proper maintenance of your firearm. Thank you for your attention to these guidelines.
