Safety Instruction Guide for the Real Avid AR15 Carbon Boss

Introduction

Thank you for choosing the Real Avid AR15 Carbon Boss. This product is designed to help AR owners maintain their firearms in optimal condition by effectively removing carbon buildup. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Keep the Carbon Boss out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Inspect the product regularly for any signs of damage or wear before each use.
- Do not modify the Carbon Boss or use it in a way that is not recommended by the manufacturer.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and in a safe condition before cleaning.
- Wear safety goggles to protect your eyes from debris during cleaning.
- Use gloves to protect your hands from cleaning solvents and carbon residue.
- Avoid using excessive force when cleaning to prevent damage to firearm components.
- Do not use the Carbon Boss on hot surfaces or immediately after firing.
- Store the Carbon Boss in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Preparation

- Ensure your AR15 is unloaded and the safety is engaged.
- Gather all necessary tools and the Carbon Boss.

2. Cleaning Process

- Select the appropriate surface of the Carbon Boss for the part you are cleaning.
- For the bolt tail, insert the scraper gently and move it back and forth to remove carbon buildup.
- For firing pin neck, bolt face, bolt lug, and bolt carrier, use the corresponding scrapers carefully.
- Use the bronze cleaning brush to scrub areas with stubborn carbon deposits.
- After cleaning, wipe down all surfaces with a clean, dry cloth.

3. Pin Punch and Cotterin Puller Use

- Use the pin punch to remove pins as needed during disassembly.
- The cotterin puller can assist in extracting cotter pins without damaging them.

4. Storage

- After use, clean the Carbon Boss according to the instructions above.
- Store the Carbon Boss in the provided nylon storage pouch to protect it from damage.

Disposal Instructions

- Dispose of any cleaning materials, such as rags or gloves, in accordance with local regulations for hazardous waste.
- If the Carbon Boss is damaged beyond repair, follow local guidelines for disposing of plastic and metal materials.

Contact Information for Further Support

For additional information or support regarding the Real Avid AR15 Carbon Boss, please refer to the manufacturer's website or contact their customer support team.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Real Avid AR15 Carbon Boss. Regular maintenance of your firearm is crucial for safety and performance. Thank you for your attention to these guidelines, and enjoy using your product responsibly.
