GUN BOSS PRO AR15 CLEANING KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Real Avid Gun Boss Pro AR15 Cleaning Kit. This guide provides essential safety instructions and guidelines for the safe use and maintenance of your cleaning kit. Please read this document carefully to ensure proper use and to avoid any potential hazards.

General Safety Guidelines

- Always keep the cleaning kit out of reach of children and vulnerable individuals.
- Inspect all tools and components for damage before use. Do not use damaged parts.
- Use the cleaning kit in a wellventilated area to avoid inhaling any cleaning solvents or residues.
- Follow the manufacturer's instructions for each tool included in the kit.
- Store the cleaning kit in a cool, dry place away from direct sunlight and moisture.
- Dispose of used cleaning patches and materials responsibly, following local regulations.

Specific Safety Precautions for Use

- When using the cleaning rod, ensure that it is fully assembled and securely connected to avoid separation during use.
- Always point the cleaning rod away from yourself and others when inserting it into the rifle barrel.
- Use the bore illuminator carefully to avoid eye strain. Do not shine the light directly into your eyes or those of others.
- Avoid using excessive force when cleaning to prevent damage to the rifle or cleaning tools.
- When using bronze brushes, do not apply too much pressure, as this may scratch or damage the barrel.
- Ensure that all cleaning solvents are compatible with your rifle and follow the manufacturer's recommendations.

Instructions for Installation and Usage

1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather all components of the cleaning kit, including the cleaning rod, patches, brushes, and bore illuminator.

2. Assemble the Cleaning Rod:

- Connect the sectioned cleaning rod according to the instructions provided in the kit.
- Ensure each section is securely fastened.

3. Clean the Barrel:

- Insert the cleaning rod into the barrel from the chamber end.
- Attach a cleaning patch soaked in the appropriate solvent to the end of the rod.
- Gently push the rod through the barrel and pull it back out. Repeat as necessary until the patch comes out clean.

4. Use Brushes:

- Attach the bronze brush to the cleaning rod.

- Insert the brush into the barrel and use a backandforth motion to scrub the interior.
- Remove the brush and follow with a dry patch to remove any debris.

5. Clean the Bolt Carrier Group:

- Use the pin punch to disassemble the bolt carrier group as per your rifle's manual.
- Clean all components thoroughly using the appropriate tools and solvents.

6. Final Inspection:

- After cleaning, inspect all components for any remaining residue or damage.
- Reassemble the rifle according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of used cleaning patches, brushes, and any other disposable materials in accordance with local waste disposal regulations.
- Do not dispose of solvents or chemicals down the drain. Follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the Real Avid Gun Boss Pro AR15 Cleaning Kit, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Real Avid Gun Boss Pro AR15 Cleaning Kit. Thank you for prioritizing safety while maintaining your firearm.
