Real Avid Gun Boss Pro Universal Cleaning Kit

Safety Instructions

Introduction

Thank you for choosing the Real Avid Gun Boss Pro Universal Cleaning Kit. This kit is designed to provide gun owners with essential tools for cleaning firearms in a variety of calibers. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and follow standard safety practices.
- Ensure the firearm is unloaded and the chamber is clear before cleaning.
- Keep cleaning tools and chemicals out of reach of children and pets.
- Use the cleaning kit only for its intended purpose.
- Inspect all tools and components for damage before use.
- If any part of the kit is damaged, discontinue use and replace the item.
- Store the cleaning kit in a secure location when not in use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use eye protection when cleaning firearms to prevent debris from entering the eyes.
- Avoid inhaling cleaning solvents and chemicals; use in a wellventilated area.
- Follow the manufacturer's instructions for any cleaning solvents used with the kit.
- Do not use the cleaning rod or brushes on firearms that are not compatible with the specified calibers.
- Ensure that the cleaning patches are properly secured to avoid them becoming lodged in the barrel.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools from the kit: cleaning rod, brushes, slotted tips, and cleaning patches.
- Ensure the firearm is unloaded and placed on a stable surface.

2. Assembly of Cleaning Rod

- Attach the 3section cleaning rod together to achieve a 32inch length.
- Ensure the sections are securely fastened to prevent disassembly during use.

3. Cleaning Process

- Select the appropriate brush or slotted tip for the caliber of the firearm.
- Attach the selected brush or tip to the cleaning rod.
- Moisten a cleaning patch with solvent and insert it into the slotted tip.
- Insert the cleaning rod into the barrel from the chamber end, if applicable.
- Push the rod through the barrel, pulling it out from the muzzle end.
- Repeat the process as necessary, using clean patches until they come out clean.

4. PostCleaning

- After cleaning, ensure all tools are cleaned and dried before storage.
- Store the cleaning kit in the provided solid tool case, ensuring it is secured.

Disposal Instructions

- Dispose of used cleaning patches and solvents in accordance with local regulations.
- Do not dispose of cleaning products down the drain or in regular household waste unless specified by the manufacturer.
- Recycle the tool case if possible, following local recycling guidelines.
