# SMART UNIVERSAL BENCH BLOCK SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Real Avid Smart Universal Bench Block. This product is designed to help gun owners perform routine cleaning and maintenance on their firearms safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the Smart Universal Bench Block in a welllit and clean work area.
- Ensure that the firearm is unloaded and the magazine is removed before using the bench block.
- Keep the workspace free of distractions to maintain focus on the task at hand.
- Store the bench block in a dry place to prevent damage and ensure longevity.
- Check the bench block for any visible damage before each use. Do not use if damaged.

## Specific Safety Precautions for Use

- The bench block is designed for adult use only. Keep it out of reach of children.
- Do not use the bench block for purposes other than intended, such as for nonfirearm related tasks.
- Avoid placing heavy objects on the bench block to prevent deformation.
- Be cautious when driving pins into or out of firearms; ensure your hands and fingers are clear of the hammer and other moving parts.
- Use the embedded magnet responsibly to prevent small parts from being lost or misplaced.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and safely positioned on the bench block.
- Place the bench block on a stable, flat surface to prevent movement during use.

### 2. Using the Bench Block:

- Position the firearm securely on the bench block, ensuring it is stable and will not roll or shift.
- Utilize the rubber liner of the bench block to prevent it from slipping on the workbench.
- If necessary, use the 1911 Government bushing wrench included with your bench block for specific firearm maintenance tasks.
- For driving pins in or out, align the pin with the appropriate hole in the bench block, and use a hammer gently to drive the pin out or in.

### 3. PostUse:

- After completing maintenance, clean the bench block with a damp cloth to remove any debris or residue.
- Store the bench block in a safe place where it will not be damaged or pose a hazard.

## Disposal Instructions

- When the Smart Universal Bench Block has reached the end of its useful life, dispose of it in accordance with local regulations regarding plastic and resin materials.

- Do not dispose of the bench block in regular household waste. Check for recycling facilities that accept such materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Smart Universal Bench Block, please refer to the manufacturer's support resources. Always ensure that you have the product details and any relevant information ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Smart Universal Bench Block. Thank you for your attention to these guidelines, and enjoy your maintenance tasks with confidence!
