

# S&W M&P ACTION ENHANCEMENT ALUMINUM TRIGGER & DUTY/CARRY KIT - APEX TACTICAL SPECIALTIES INC S&W SHIELD ACTION ENHANCEMENT TRIGGER & DUTY/CARRY KIT-BLU

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## Solid, Comfortable Aluminum Trigger Gives a Light, Smooth, Consistent Trigger Pull

Apex Tactical's Aluminum Action Enhancement Trigger Kit is engineered to give the S&W M&P 9mm/.40 a smoother, more consistent, lighter (5 to 5-1/2 lb.) trigger pull with a shorter reset than the factory trigger. The Apex M&P 9mm/.40 Aluminum Action Enhancement Trigger Kit also lessens pre- and over-travel by as much 20%, while the rounded machined aluminum trigger shoe provides a comfortable, secure contact point for the trigger finger. Center mounted pivoting safety maintains factory safety values. Keeps safe trigger pull weight for duty/carry applications. Contains: trigger, heavy-duty sear spring, machined sear, duty/carry spring set, Ultimate Striker Block Kit & slave pin for installing trigger return spring. Fits all S&W M&P pistols in 9mm and .40 S&W. Does not fit M&P45, M&P M2.0, M&P Shield, or .22 LR models. Although the Apex Aluminum Action Enhancement Trigger Kit for M&P 9mm/.40 is designed to drop in and normally should not require further gunsmithing, armorer or gunsmith installation is recommended.

## Attributes

# Safety Instruction Guide for S&W M&P Action Enhancement Aluminum Trigger & Duty/Carry Kit

## Introduction

Thank you for choosing the S&W M&P Action Enhancement Aluminum Trigger & Duty/Carry Kit from Apex Tactical Specialties Inc. This guide provides essential safety instructions to ensure the proper and safe use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and related components with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for updates and recalls related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and pointed in a safe direction.
- Familiarize yourself with the operation of your S&W M&P pistol.
- Do not modify the trigger kit or any of its components in any way.
- Use only the components included in the kit for installation.
- If you experience any issues with the trigger pull or operation, discontinue use and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded.
- Gather all necessary tools for installation, including a punch and hammer.

### 2. Installation Steps:

- Remove the factory trigger and components from the S&W M&P pistol.
- Install the Apex Aluminum Action Enhancement Trigger according to the included instructions.
- Ensure the heavyduty sear spring and machined sear are properly positioned.
- Install the duty/carry spring set and the Ultimate Striker Block Kit.
- Use the slave pin to install the trigger return spring.
- Verify that the trigger moves freely and the safety functions correctly.

### 3. PostInstallation:

- Conduct a function test to ensure the trigger operates as intended.
- Check for any signs of misalignment or improper installation before use.

### 4. Usage Guidelines:

- Always maintain a safe trigger pull weight, especially for duty/carry applications.
- Do not exceed the recommended trigger pull weight of 5 to 5 1/2 lbs.

- Regularly inspect the trigger for wear or damage and replace if necessary.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product reaches the end of its life or is damaged beyond repair, dispose of it in accordance with local regulations for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the S&W M&P Action Enhancement Aluminum Trigger & Duty/Carry Kit, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and compliance while using your new trigger kit. Your responsible use contributes to a safer environment for all firearm users.
