

# AR-15 SENTRY ADJUSTABLE GAS BLOCKS STEEL CLAMP ON - SLR RIFLEWORKS SENTRY GAS BLOCK .625 ADJUSTABLE STEEL CLAMP ON

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

## Feed Your AR-15 the Gas It Needs

The SLR Rifleworks Sentry Adjustable Clamp On Gas Block gives AR owners total control over their rifle's gas systems, giving them the chance to fine-tune the gun with different ammo or with an attached suppressor. The SLR Rifleworks Sentry Adjustable Clamp On Gas Block doesn't operate with any small screws or balls like other gas blocks, removing the chance these parts could fail or get lost. Constructed from 4140 billet steel Features QPQ Melonite finish The SLR Rifleworks Sentry Adjustable Clamp On Gas Block is adjustable with an included tool and features a clamp-on attachment design that is guaranteed to provide a solid gas seal.

# Safety Instructions for the AR15 Sentry Adjustable Gas Block

## Introduction

Thank you for choosing the SLR Rifleworks Sentry Adjustable Clamp On Gas Block for your AR15. This product is designed to provide you with improved control over your rifle's gas system. Please read this safety instruction guide carefully to ensure safe and effective use of the gas block.

## General Safety Guidelines

- Ensure that the gas block is compatible with your specific AR15 model before installation.
- Always handle firearms with care and follow standard safety protocols.
- Keep the gas block and its components out of reach of children and unauthorized users.
- Inspect the gas block regularly for any signs of wear or damage.
- If you experience any issues during installation or use, seek assistance from a qualified gunsmith.

## Specific Safety Precautions for Use

- Always use appropriate ammunition that is compatible with your gas block and rifle.
- Do not exceed the manufacturer's recommended settings when adjusting the gas block.
- Ensure that the gas block is securely clamped before firing the rifle.
- Use the included adjustment tool to make changes to the gas settings; do not use makeshift tools.
- If using a suppressor, ensure it is properly attached and that the gas block is adjusted accordingly.
- In the event of a malfunction, cease firing immediately and inspect the firearm and gas block for issues.

## Instructions for Installation and Usage

### 1. Preparation for Installation

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather the necessary tools, including the included adjustment tool and any other required tools.

### 2. Installation Steps

- Remove the existing gas block if applicable.
- Clean the area where the gas block will be installed to ensure a proper seal.
- Position the SLR Rifleworks Sentry Adjustable Clamp On Gas Block onto the barrel.
- Align the gas port with the gas tube to ensure proper gas flow.
- Use the included tool to securely clamp the gas block onto the barrel, ensuring it is tight but not overtorqued.

### 3. Adjusting the Gas Block

- Use the included adjustment tool to turn the gas adjustment screw.
- Start with the gas adjustment screw in the closed position and gradually open it to find the optimal setting.
- Test fire the rifle and make further adjustments as necessary for reliable operation.

### 4. PostInstallation Check

- After installation and adjustment, inspect the gas block to ensure it is securely attached.
- Conduct a function check of the rifle to ensure proper operation.

## **Disposal Instructions**

- Dispose of the gas block and any associated components in accordance with local regulations.
- Do not dispose of the gas block in a manner that could harm the environment.
- If in doubt, consult local waste disposal authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the SLR Rifleworks Sentry Adjustable Clamp On Gas Block, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your SLR Rifleworks Sentry Adjustable Clamp On Gas Block. Thank you for prioritizing safety in your shooting experience.
