[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## Bringing Together the Best AR Sling Qualities

The Viking Tactics VTAC Hybrid Sling is the result of consumer feedback, and the company has taken nods from shooters to incorporate the most well-liked elements from all of its slings and develop one hybrid design. The Viking Tactics VTAC Hybrid Sling features a large padded section that provides enhanced comfort when carrying a firearm for long periods. The sling also features free-running ends that allow for easy, trouble-free adjustment, as well as rubberized pull tabs to facilitate those adjustments. Constructed from Nylon Two-point sling design Available in coyote and black colors The Viking Tactics VTAC Hybrid Sling also incorporates tri-glides constructed from acetal resin in order to promote durability.

# VTAC Hybrid Sling Safety Instruction Guide

## Introduction

Thank you for choosing the Viking Tactics VTAC Hybrid Sling. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the sling is used only with compatible firearms and equipment.
- Always check the sling for signs of wear or damage before use.
- Never exceed the manufacturer's recommended weight limits for the sling.
- Store the sling in a dry and safe environment when not in use.
- Keep the sling out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product concerns to the appropriate authorities.

## Specific Safety Precautions for Use

- When adjusting the sling, ensure that it is securely fastened to prevent accidental release.
- Avoid using the sling in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- Use the padded section of the sling to enhance comfort during extended use.
- Do not attempt to modify or repair the sling on your own; contact a professional for assistance if needed.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the sling to the designated attachment points on your firearm.
- Ensure that the triglides are securely fastened and that the sling is properly adjusted for your comfort.
- Check that all components are functioning correctly before use.

### 2. Usage:

- Adjust the sling to fit comfortably over your shoulder and across your body.
- Utilize the rubberized pull tabs for easy adjustments while maintaining control of your firearm.
- Regularly check the adjustment and attachment points during use to ensure safety.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations and guidelines.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable components.

## Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please reach out to the designated EU contact point provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you are our top priority. Enjoy using your Viking Tactics VTAC Hybrid Sling responsibly!
