Safety Instruction Guide for Thompson Center Encore Forend Washers

Introduction

Thank you for choosing the Thompson Center Encore Forend Washers by Stratton Custom TC Accessories. This guide provides important safety information and instructions to ensure the safe use and installation of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a replacement washer for Thompson Center Encore forends.
- Always inspect the washers before installation for any signs of damage or defects.
- Keep the washers out of reach of children and pets to prevent accidental ingestion or injury.
- Use protective eyewear and gloves during installation to avoid injury.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not use the washers if they show signs of wear or damage.
- Ensure that the washers are compatible with your specific model of Thompson Center Encore.
- Avoid using excessive force when installing or tightening the washers to prevent damage to the forend or the washers themselves.
- If you experience any difficulties during installation, consult a qualified gunsmith or professional for assistance.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools: a screwdriver and any other tools required for your specific forend installation.
- Ensure the firearm is unloaded and in a safe condition before beginning installation.

2. Installation Steps

- Remove the existing forend from the Thompson Center Encore.
- Carefully remove the old washers from the forend.
- Take the new Thompson Center Encore Forend Washers from the package.
- Place the new washers in their designated positions on the forend.
- Reattach the forend to the firearm, ensuring that it is securely fastened.
- Check the installation to ensure that the washers are properly seated and that the forend is secure.

3. PostInstallation Check

- After installation, perform a safety check to ensure that the firearm functions correctly.
- Store any unused washers in a safe place, away from children and pets.

Disposal Instructions

- Dispose of any old washers and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in fire, as it may cause harm or release harmful substances.

Contact Information for Further Support

For any inquiries related to safety, installation, or product performance, please reach out to the manufacturer or a qualified professional for assistance.

Thank you for ensuring the safe use of your Thompson Center Encore Forend Washers. Your safety and satisfaction are our top priorities.
