Safety Instruction Guide for Taran Tactical Smith & Wesson M&P Shield Magazine Extension

Introduction

Thank you for choosing the Taran Tactical Smith & Wesson M&P Shield Magazine Extension. This product is designed to enhance the performance of your M&P Shield pistol by allowing additional rounds. It is essential to follow the safety instructions and guidelines in this manual to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the magazine extension is compatible with your specific model of the Smith & Wesson M&P Shield.
- Always handle firearms and ammunition responsibly and in accordance with local laws and regulations.
- Keep the magazine extension and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for signs of wear or damage before each use.
- Report any unsafe products or accidents related to this product to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the magazine extension with OEM Smith & Wesson magazine bodies to ensure proper function.
- Do not exceed the recommended capacity of the magazine extension (two additional rounds for 9mm and one additional round for .40 S&W).
- Always ensure the firearm is unloaded when installing or removing the magazine extension.
- Avoid using the magazine extension in extreme temperatures or conditions that may affect its performance.
- If experiencing any malfunctions or issues during use, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Unload the Firearm:** Ensure that your M&P Shield is completely unloaded before beginning the installation.
2. **Remove the Factory Base Plate:** Carefully remove the factory base plate from the magazine by following the manufacturer's instructions.
3. **Attach the Magazine Extension:** Align the Taran Tactical magazine extension with the magazine body and press it into place until it clicks securely.
4. **Check for Proper Fit:** Ensure that the magazine extension is securely attached and does not move when pulled.
5. **Reinsert the Magazine:** Insert the magazine back into the firearm and check for proper function.

Usage

- Load the magazine extension according to the manufacturer's guidelines.
- Always ensure that the firearm is pointed in a safe direction when loading or unloading.
- After loading, perform a function check to ensure the firearm operates correctly with the magazine extension installed.

Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations regarding metal waste and firearm accessories.
- Do not dispose of the magazine extension in regular household waste.
- If the product is damaged or no longer usable, consider recycling it at a designated facility that accepts metal products.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly through the provided customer service channels. Always keep this manual for reference and ensure it is accessible when using the product.
