Optimize Your 1911 Grips

One of the great benefits of the 1911 platform is the ability to easily swap grips in order to provide an enhanced look and feel to your personal pistol. The Harrison Design 1911 G-10 Double Diamond Grips are a great option for those seeking to enhance the texture and aesthetics of their gun. The Harrison Design 1911 G-10 Double Diamond Grips are machined from durable G-10 composite material, which provides users with an incredibly tactile feel that enhances gripping capability and allows users to maintain better control of their gun. The double-diamond pattern provides a traditional appearance for your gun while providing the benefits of G-10 fiberglass-laminate material. Fully ambidextrous Color: Black Features Ambi-Vertable pocket for ambidextrous thumb-safety use The Harrison Design 1911 G-10 Double Diamond Grips are made by renowned grip manufacturer VZ grips, so they're guaranteed to provide long-lasting use for any 1911 owner.

Safety Instruction Guide for 1911 G10 Double Diamond Grips

Introduction

Thank you for choosing the Harrison Design 1911 G10 Double Diamond Grips. These grips are designed to enhance the texture and aesthetics of your 1911 pistol while providing improved grip and control. This safety instruction guide is designed to ensure your safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the grips.
- Always handle your firearm with care and ensure it is unloaded when installing or adjusting grips.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Regularly inspect the grips for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Keep the grips and firearm out of reach of children and unauthorized users.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is completely unloaded before beginning installation.
- Use appropriate tools for installation to prevent damage to the grips or firearm.
- Follow the installation instructions carefully to avoid improper fitting which may affect safety.

• Usage Precautions:

- Maintain a firm grip on the firearm at all times to prevent accidental slips or drops.
- Be mindful of your grip pressure; excessive force may lead to loss of control.
- Do not modify the grips in any way, as this may compromise their structural integrity.

• Storage Precautions:

- Store the firearm in a secure location when not in use, ensuring that it is not accessible to children or unauthorized individuals.
- Avoid exposing the grips to extreme temperatures or moisture, as this may affect their performance and durability.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips by unscrewing the grip screws using an appropriate screwdriver.
- Align the Harrison Design 1911 G10 Double Diamond Grips with the frame of the firearm.
- Secure the grips in place by tightening the grip screws, ensuring they are snug but not overly tight to avoid stripping the screws.

2. Usage Steps:

- Hold the firearm with a firm grip, ensuring your fingers are positioned correctly on the grips.

- Practice drawing and aiming with the firearm in a safe environment to become accustomed to the new grips.
- Regularly check the grip screws for tightness, especially after extensive use.

Disposal Instructions

- Dispose of the grips in accordance with local regulations regarding electronic and composite materials.
- Do not dispose of the grips in regular household waste. Instead, consider recycling options where available.
- Consult local waste management authorities for specific disposal guidelines in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of your Harrison Design 1911 G10 Double Diamond Grips, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Harrison Design 1911 G10 Double Diamond Grips. Always prioritize safety and responsible firearm handling practices.
