SR25 SOPMOD Certified CQBSS Scope Mount

Safety Instructions

Introduction

Thank you for choosing the Geissele SR25 SOPMOD Certified CQBSS Super Precision Scope Mount. This product is designed to provide a reliable and secure mounting solution for your CQBSS optics. To ensure your safety and the effective use of this product, please carefully read and follow these safety instructions.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Check the product for any visible damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the use of firearms and optics.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the specified weight limits of the mount to avoid failure.
- Ensure that the scope is securely attached to the mount before use.
- Regularly inspect the mount for signs of wear or damage, particularly after heavy use.
- Avoid using the mount in extreme weather conditions unless it is specifically rated for such use.
- Do not modify the mount or use it in a manner not specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure you have all necessary tools before beginning installation.
- Place the mount on a stable surface.
- Align the mount with the appropriate mounting points on your firearm.
- Securely tighten all screws and bolts according to the manufacturer's specifications.
- Doublecheck the alignment of the scope before finalizing installation.

2. Usage:

- Always ensure the firearm is unloaded before attaching or detaching the scope mount.
- After installation, perform a function check to confirm that the mount is secure.
- When using the firearm, maintain proper handling and safety practices at all times.
- If you experience any issues with the mount during use, stop using it immediately and consult a qualified professional.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling it or contacting a local waste management facility for proper disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Geissele SR25 SOPMOD Certified CQBSS Super Precision Scope Mount, please refer to the product packaging or visit the manufacturer's website for additional information.

By following these safety instructions, you can ensure a safe and effective experience with your Geissele SR25 SOPMOD Certified CQBSS Super Precision Scope Mount. Thank you for your attention to safety.
