[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Provides Revolutionary Muzzle Control

The VG6 Precision Delta 556 muzzle brake offers AR-15 shooters an unprecedented level of control, ensuring they can keep their rifle muzzles level and on-target while simultaneously damping felt recoil. The VG6 Precision Delta 556 AR-15 muzzle brake is an optimized design that was developed through the use of computational fluid dynamics and computer-aided engineering. It is a hybrid compensator and muzzle brake that smooths out the recoil impulse AND reduces muzzle rise. The result is a more comfortable shooting experience, while it helps the shooter keep the sights on the target for faster, more accurate follow-up shots than with the standard A2 flash hider. Machined 17-4 PH stainless steel Fits muzzles with 1/2"-28 tpi threads Crush washer included The VG6 Precision Delta 556 muzzle brake is designed for optimum performance on AR-15 barrels with 10.5" to 18.5" lengths.

Attributes

Safety Instruction Guide for AR15 DELTA 556 MUZZLE BRAKE

Introduction

Thank you for choosing the AR15 DELTA 556 MUZZLE BRAKE. This product is designed to enhance your shooting experience by providing superior recoil control and reducing muzzle rise. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** Always ensure that the muzzle brake is installed correctly and securely to prevent any accidents during use.
- **Enhanced Recalls:** Stay informed about any recalls related to this product by checking official sources regularly.
- **Online Shopping:** If you purchased this product online, verify that the seller complies with EU safety regulations.
- **Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Age Restrictions:** This product should only be used by individuals who are legally allowed to handle firearms and are trained in their use.
- **Proper Protective Gear:** Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms equipped with this muzzle brake.
- **Inspection:** Regularly inspect the muzzle brake for any signs of wear or damage before each use.
- **Environment:** Use the muzzle brake only in designated shooting ranges or areas where shooting is permitted.
- **Handling:** Always treat your firearm as if it is loaded, even when it is not.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device, if applicable.
- Clean the muzzle threads to ensure a proper fit.
- Screw the AR15 DELTA 556 MUZZLE BRAKE onto the muzzle, ensuring it is aligned correctly.
- Use a crush washer as included to secure the muzzle brake in place.
- Tighten the muzzle brake to the manufacturer's specifications without overtightening.

2. Usage:

- Before firing, doublecheck that the muzzle brake is securely attached.
- When shooting, maintain a stable shooting position to maximize the benefits of the muzzle brake.
- Monitor your shooting stance to ensure the rifle remains level and ontarget.
- After shooting, inspect the muzzle brake for any signs of damage or loosening.

Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm accessories.
- If the product is damaged or no longer usable, consider recycling metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the AR15 DELTA 556 MUZZLE BRAKE, please contact your retailer or the manufacturer directly. They can provide additional support and information regarding safety, installation, and maintenance.

By following these guidelines, you can ensure a safer shooting experience with your AR15 DELTA 556 MUZZLE BRAKE. Thank you for prioritizing safety.
