

# AR-15 STAR CHAMBER CLEANING SWABS - SWAB-ITS BY SUPERBRUSH AR-15 STAR CHAMBER CLEANING SWABS 3PK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Swabs](#)

## Clean Your AR Chamber the Right Way

The Swab-Its AR-15 Star Chamber Cleaning Foam Swabs enhance the capability of AR owners to give their rifles a thorough cleaning, ensuring that the guns provide users with a long, dependable life of service. The Swab-Its AR-15 Star Chamber Cleaning Swabs reduces the difficulties faced in cleaning the hard-to-reach chamber of the AR platform, thanks to its innovative design. The included wings slide in behind the locking lugs found in the chamber, reaching fouling in every difficult corner. Three swabs included in each bag. Can be washed and reused. Will work as an empty-chamber indicator. Designed for use with 5.56 NATO platform guns. The Swab-Its AR-15 Star Chamber Cleaning Swabs are lint- and fiber-free and will provide an economical way to ensure your gun is cleaner than ever before.

# Safety Instruction Guide for AR15 Star Chamber Cleaning Swabs

## Introduction

Thank you for choosing the SwabIts AR15 Star Chamber Cleaning Swabs. These cleaning swabs are designed to enhance the cleaning capabilities of AR15 owners, ensuring a thorough and effective cleaning of your rifle's star chamber. This guide provides essential safety instructions and guidelines to help you use the product safely and effectively.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Always handle firearms responsibly and ensure they are unloaded before cleaning.
- Keep the cleaning swabs out of reach of children and vulnerable individuals.
- Regularly check for product recalls or safety alerts on the EU Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always verify that your firearm is unloaded before using the cleaning swabs.
- Use the cleaning swabs only as intended; do not modify or misuse them.
- Avoid using the swabs in a manner that could cause injury to yourself or others.
- Do not use the swabs if they show signs of damage or wear.
- Store the swabs in a cool, dry place away from direct sunlight and moisture.
- If using with cleaning solvents, ensure proper ventilation to avoid inhaling fumes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the SwabIts AR15 Star Chamber Cleaning Swabs.

### 2. Using the Cleaning Swabs:

- Take one cleaning swab from the package.
- Insert the swab into the chamber of the firearm, ensuring the wings slide in behind the locking lugs.
- Gently rotate and move the swab to clean all corners of the chamber.
- Repeat the process with additional swabs as needed for thorough cleaning.

### 3. PostCleaning:

- After cleaning, inspect the chamber to ensure all fouling has been removed.
- Dispose of used swabs responsibly if they cannot be washed and reused.
- Store the remaining swabs in their original packaging to keep them clean and dry.

## Disposal Instructions

- Dispose of used cleaning swabs in accordance with local regulations.
- If the swabs are reusable, wash them according to the manufacturer's instructions before storing.
- Do not dispose of swabs in a manner that could harm the environment.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the SwabIts AR15 Star Chamber Cleaning Swabs, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your AR15 Star Chamber Cleaning Swabs. Thank you for your attention to safety and responsible firearm maintenance.
